Dear Director Todd:

On behalf of the Milwaukee Brotherhood of Firefighters we are honored to recommend acting Fire Chief Arron Lipski for the position of Fire Chief of the Milwaukee Fire Department.

We have the pleasure of working with Acting Chief Lipski over the past 7 months. He has proven to be dedicated, relentless and forthright while attempting to make the Milwaukee Fire Department more reflective of the city it serves, while maintaining the outstanding service and professionalism of the Fire Department. He has hit the ground running, while we all know of the number of issues that are affecting the Milwaukee Fire Department, and the city as a whole. Arron has risen to the challenge. We have found Chief Lipski not just to be lip service; he has rolled up his sleeves and has gotten in the trenches with us to complete the mission. Chief Lipski's open minded approach and willingness to learn has made it easy to work with and for him.

In the 24 years or so Aaron Lipski has served the Milwaukee Fire Department he has carried himself with professionalism and a desire to make the people around him better. He has been a mentor, role model and leader.

Without hesitation the Milwaukee brotherhood of firefighters recommended Arron Lipski to be appointed the next Fire Chief of the Milwaukee Fire Department.

Sincerely,

Sharon P. Purifoy
