Dear Honorable Members:

Please accept for introduction at the meeting of June 15, 2010, the attached file resolution authorizing the Milwaukee Fire Department to apply for, accept and fund an Assistance to Firefighters grant from the U.S. Department of Homeland Security Federal Emergency Management Agency (FEMA) in the amount of \$936,191. The grantor contributes 80% and the City is responsible for 20% of eligible costs. The purpose of this program is to fund cardiovascular, strength endurance, and physical fitness assessment equipments, a medical consultant who will administer physicals for all uniformed firefighters annually, a flat fee for peer fitness trainer certifications, and costs for 10 additional copies of training manuals. Any related overtime, continuing education and certification renewal costs are not grant eligible and must be covered by alternative funding sources.

The program operation runs from January 1, 2011 to December 31, 2011.

If you have any further questions regarding this matter, please contact Battalion Chief Daniel Holton (x8943) or Business Finance Manager Emma J Stamps (x5281).

Respectfully submitted,

MARK ROHLFING
Chief
