To the Honorable
The Board of Fire and Police Commissioners
200 East Wells Street, Room 705
Milwaukee, Wisconsin 53202

Dear Commissioners:

Our Functional Applications Analyst – Senior (FAASR), retired last October. We have been having a hard time trying to fill this position, while working with the Department of Employee Relations. We had been using a consultant, temporarily, whose contract has now expired.

Since we need someone to fulfill the necessary daily job duties of this position until we can hire a replacement, which may also be a lengthy process, we are asking your Honorable Board to grant us permission to hire, on a non-benefit, temporary (< 90 day) basis, John Pederson, who formerly worked in Technical Services and who is now retired. His temporary appointment would begin on June 28, 2021, for 20 hours per week. We will be using the position authority from the FAASR position for his salary. I have enclosed his résumé for your review, and the Functional Applications Analyst - Senior job description.

Respectfully,

AARON LIPSKI
Acting Chief
