

CURRENT ACTION

- Public Health Foundation (PHF)
 - Follow-up Audit
- Department of Health Services (DHS)
 - Quality and Program Improvement
- Department of Employee Relations
- Lowering EBLL Intervention Levels

COLLECTIVE ACTION

- Lead is an incredibly challenging issue for Milwaukee, and the MHD should position itself to lead the convening of cross-sector partnerships, multiple funding sources, and leveraging of resources to create healthy lead-free homes in Milwaukee
- The Green and Healthy Homes Initiative (GHHI) represents one potential model for Milwaukee to work towards, sustaining a city-wide lead intervention over time

GHHI MODEL
