

Equity Impact Statement

1. Describe the proposed ordinance or resolution.

Resolution to accept grant funding from the National Association of County and City Health Officials (NACCHO), Centers for Disease Control and Prevention (CDC) Division of STD Prevention, and Association of Public Health Laboratories (APHL) for project entitled, "Validation of Non-Clinic Self-Collected Specimens."

2. Identify the anticipated equity impacts, if any, of this proposal.

It is anticipated that this project could improve access to STI testing services for high-risk populations being served by Keenan Health Center and other local community/STI partner clinics.

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

The primary populations impacted by this project are those being served by Keenan Health Center and other local community/STI clinics. It is unlikely that specific minority groups will be directly impacted by the proposal, either positively or negatively.

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

N/A

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

N/A

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

N/A
