B. Annual Plan Elements

B.1 Revision of PHA Plan Elements.

Statement of Housing Needs and Strategy for Addressing Housing Needs:

HACM will continue to focus on finding ways to meet the affordable housing needs of City of Milwaukee residents: families, elderly, disabled and minorities with disproportionate housing needs. In the area of shortage of affordable housing, HACM will work to maximize the number of affordable units available by reducing turnover time for vacant housing units and minimize the number of units offline due to routine maintenance or renovation work and will seek to replace units lost to the inventory through mixed finance development and Section 8 replacement housing resources. HACM will work to maintain Section 8 lease up rates by establishing payment standards that are beneficial to families in the City, by effectively screening applicants to increase owner acceptance of the program and by marketing the Section 8 program to owners, particularly those outside areas of minority and poverty concentration. HACM will participate in the Consolidated Plan development process to ensure coordination with broader community strategies. HACM will also attempt to increase the number of affordable units by applying for Section 8 vouchers as they become available, by leveraging resources in the community through the creation of mixed finance housing and through other non-public housing or Section 8-based assistance. HACM will continue to work with the Continuum of Care in addressing the housing needs of Milwaukee's homeless residents. HACM will continue to employ admissions preferences aimed at families with hardships and adopt rent policies that support and encourage work. In an effort to meet the growing needs of families with disabilities, HACM will carry out modifications based on a Section 504 Needs Assessment, will apply for special purpose vouchers that target families with disabilities and will continue its work with Independence First to expand homeownership opportunities for families with disabilities. HACM will also conduct activities that affirmatively further fair housing by marketing to racial and ethnic minorities with disproportionate housing needs, counseling Section 8 tenants as to location of units outside of areas of poverty or minority concentration and marketing the Section 8 program to owners outside of areas of poverty and minority concentration.

The informal hearing is detailed in Section 22 of the Section 8 Administrative Plan.

Homeownership Programs:

Section 32 Homeownership: HACM has approval from HUD to administer a Section 32 Homeownership program, assisting low income persons (both those living in public housing as well as those who are not living in public housing but are eligible for it (with an income under 80% of Area Median Income). Participants must be a first time home buyer, must have earned income of at least \$15,000/year, must attend homeownership counseling classes and must not owe child support or any state or local authority. Additional information regarding the homeownership program is available at all administrative offices and housing development offices.

In August 2008, HUD approved an amendment to the Section 32 plan to include sale of an additional 40 units from its scattered sites inventory (including AMPs WI002000010P, WI002000016P, WI002000060P, WI002000061P, and WI002000063P). As of 9/16/2020, 16 scattered sites units have been sold.

Section 8(y) Homeownership Program: HACM also administers a Section 8(y) Homeownership Program. The Section 8(y) program assists HACM Housing Choice Voucher program participants in converting their housing voucher towards a mortgage payment instead of a rent payment. Similar eligibility criteria exist, with an additional requirement that participants maintain minimum earned income requirements in order to continue mortgage subsidy. Participants must maintain an earned income level of \$15,000 per year in order to continue receiving mortgage subsidy. Since December 11, 2001, 263 vouchers have been converted from rental to ownership.

Community Service and Self-Sufficiency Programs:

There are no changes to this section.

HACM has more than 30 years' experience in building innovative and award-winning partnerships with economic development and supportive service agencies. HACM's approach to community and supportive services programming has produced positive results for residents.

HACM's programming has received numerous awards and recognition from a wide variety of organizations in recent years, including:

- The "Innovations in American Government Award" from the Ford Foundation and Harvard University's JFK School of Government, for HACM's service-enriched programming at the Lapham Park elderly high-rise in 2000 (finalist) and for the Central City Cyberschool in 2001 (semi-finalist);
- Three Awards of Merit from NAHRO for HACM's family self-sufficiency program, its drug abatement partnership with local police, and the Lapham Park high-rise programming;
- "Best Practice Awards" from the U.S. Departments of Housing and Urban Development and Health and Human Services, for its enhanced services to elderly residents and its self-sufficiency programming at Hillside Terrace;
- The 2004 National Social Advocacy Award from the American Planning Association and the 2007 Award for Municipal Excellence (Gold) for large cities from the National League of Cities for HACM's Lapham Park elderly high-rise programming; and
- The 2005 World Leadership Award in the category of "Housing" presented in a ceremony at the Royal Courts of Justice in London, UK.
- The 2015 Bright Ideas recognition from the Ash Center for Democratic Governance and Innovation at the J.F. Kennedy School of Government, Harvard University, for the HACM Education Initiative.

HACM partners with a number of community organizations to provide services for residents that assist and support them and their families. Services that are available for public housing residents include:

Day Care: HACM has three licensed day care/Head Start providers on-site in our public housing family developments (Tomorrow's Future Early Childhood Center at Hillside, Day Care Services for Children at Parklawn, and Silver Spring Neighborhood Center at Westlawn Gardens).

Youth Services: Youth-serving agencies are on-site in two developments (a Boys & Girls Club at Hillside and the Silver Spring Neighborhood Center at Westlawn Gardens). These agencies provide a comprehensive array of recreational, educational and leadership programs for youth, both after-school and during the summer.

Education: HACM has two schools on-site in family public housing developments. The Central City Cyberschool is a public charter school (chartered by the City of Milwaukee) that serves up to 400 students in grades K4 to 8th grade and is located at the Parklawn development. For the 2019-20 school year, the Cyberschool is also starting a high school program in Parklawn. Attached to the Silver Spring Neighborhood Center (SSNC) in Westlawn Gardens, the Browning Elementary School is a Milwaukee Public School (MPS) that serves children in grades K4 through the 5th grade.

HACM Educational Initiative: Since 2005, the HACM Education Initiative has sought to improve school attendance and educational achievement among youth in two public housing developments: Highland Homes and Scattered Sites. The Education Specialist works with the children to ensure they attend school every day, links them to community learning centers and tutoring programs, and helps reduce barriers to their success in school. The Education Specialist also works one-on-one with parents to develop an educational achievement plan for each child.

Adult Education: HACM partners with community organizations to provide GED preparation and adult basic education training on-site in two developments. Milwaukee Area Technical College (MATC) provides GED and adult basic skills training at Hillside and at Westlawn Gardens through the Silver Spring Neighborhood Center. HACM also partners with the Adult Learning Center for adult basic education, located two blocks from the Townhomes at Carver Park development.

Scholarships: Public housing residents are eligible to apply for scholarships for higher education of up to \$2000 per year from HACM.

Employment/Economic Self-Sufficiency: HACM's programs in economic self-sufficiency will be discussed in more detail in (2) below.

Healthcare: HACM currently has two health clinics located in public housing developments. Located on the 2nd floor of the Hillside Family Resource Center, the Westside Healthcare Association's Hillside clinic is a federally qualified health center that provides a variety of health care services to low-income families and individuals in Milwaukee. The University of Wisconsin-Milwaukee School of Nursing operates a clinic in the Silver Spring Neighborhood Center at Westlawn. Services at both clinics are available to residents on a sliding fee scale.

Services for Seniors and Persons with Disabilities: Since 1993, HACM has partnered with a nonprofit organization to serve residents in our highrise developments that are designated for seniors and persons with disabilities. Formerly, it was SET Ministry from 1993 to 2017, then UNISON from 2017-2018, and now Lutheran Social Services of Wisconsin and Upper Michigan (LSS) provides service coordination services. Every year, more than 1,300 residents in Milwaukee's public housing are assisted by social workers that assist residents by assessing their needs, assessing eligibility for programs and services that are needed by the resident, and linking the resident into those services.

Senior Meal Program: For seniors 60 and older, the Milwaukee County Department on Aging has 27 meal sites that serve a hot lunch Monday through Friday at 11:30 a.m. Four meal sites are currently located in HACM highrise developments in their community rooms (Arlington Court, College Court, Convent Hill and Lapham Park).

Neighborhood Network Centers: HACM currently has six Neighborhood Network Centers (community computer centers) located at:

Townhomes at Carver Park
Hillside Terrace
Highland Gardens
Cherry Court
Convent Hill
Westlawn Gardens (in Silver Spring Neighborhood Center)

650 W. Reservoir Ave.
1452 N. 7th Street
1818 W. Juneau Ave.
1525 N. 24th Street
455 E. Ogden Ave.
5460 N. 64th Street

Each Neighborhood Network Center offers a differing variety of programs, including: adult basic skills education and GED preparation; computer skills classes (basic computer skills, how to use Microsoft Word, Excel, PowerPoint, how to use email and/or the internet); assistance in job search; and other adult and youth programming. In addition, there are times scheduled for open labs when seniors, adults and youth can use the lab as they wish. There are monthly schedules of classes and activities for each Neighborhood Network Center.

FSS program: HACM has a current Public Housing Family Self Sufficiency program (FSS) to serve up to 50 public housing households and a Housing Choice Voucher FSS program to serve up to 100 households. The FSS Case Manager work with these participants to review the program goals and requirements, sign the participation contract, and develop and implement their individualized plan. Increases in earned income that impact rent may result in the rent increase deposited into an FSS escrow account for the resident. The FSS Case Managers work with any residents who request assistance or are referred by their managers. They will first conduct an individualized assessment to help a resident identify their interests, skills, goals, barriers, and needs. The resident and the Case Manager will then plot out a strategy to help the resident find a job or obtain a better job. The Case Manager will also refer the resident to other services available in the community that are needed to help them with job search, such as G.E.D. preparation courses, driver's education, resume assistance, interview skills, job training, and other skills to help employability

Choice Neighborhood Case Managers: HACM currently has six case managers for the Westlawn Gardens CNI grant. These case managers assist CNI households before, during and after relocation in all supportive service needs of the household, related to education, employment and healthcare. They first conduct an individualized assessment to help a resident identify their interests, skills, goals, barriers, and needs. The resident and the Case Manager will then plot out a strategy to help the resident find a job or obtain a better job. The Case Manager will also refer the resident to other services available in the community that are needed to help them with job search, such as G.E.D. preparation courses, driver's education, resume assistance, interview skills, job training, and other skills to help employability. The case managers will also assist their families with the children's education, ensuring children are attending school, graduate high school and are connected to resources to assist them in their education.

TANF Agencies: HACM case managers work closely with the TANF agencies in Milwaukee (W-2 agencies in Wisconsin) that serve residents eligible for such services: ROSS Innovative Employment Solutions, America Works of Wisconsin, UMOs and Maximus.

Employ Milwaukee: HACM is a close partner with Employ Milwaukee, the local workforce investment agency, and has a Memorandum of Agreement with the agency. Residents are referred to and utilize the One-Stop Job Centers operated by Employ Milwaukee and also take advantage of job training opportunities if the residents are eligible for WIOA training (Workforce Innovation and Opportunity Act).

Section 3: In compliance with regulations, HACM makes every effort to hire internally and to require contractors to hire public housing residents and other Section 3 persons to the greatest extent feasible. In addition, HACM ensures that prime contractors awarded Section 3 covered contracts subcontract with Section 3 business entities to the greatest extent feasible. In January 2014, HACM created a Section 3 Coordinator position to assist in ensuring compliance with the Section 3 regulations.

In August 2014, HACM entered into a Voluntary Compliance Agreement (VCA) with the U.S. Department of Housing and Urban Development (HUD) regarding Section 3. HUD and HACM entered into this VCA for the

purpose of improving HACM's policies, procedures and compliance with Section 3. As part of the VCA, HACM developed a revised Section 3 Plan. In late 2018, HACM completed its VCA agreement with HUD.

HACM helps to link public housing residents and other Section 3 persons with training and employment opportunities whenever possible and does significant outreach to residents to notify them about the availability of such opportunities, through monthly resident meetings, quarterly resident employment newsletters, and through their case managers. HACM leverages training through community resources, such as the Employ Milwaukee (WIOA training), Wisconsin Regional Training Partnership, Milwaukee Area Technical College, and the Milwaukee Community Service Corps. The training provided by these agencies helps residents compete successfully for employment in the building trades.

Youthbuild: Working with the Milwaukee Builds program of Employ Milwaukee (formerly the Milwaukee Area Workforce Investment Board), HACM trains a crew of YouthBuild participants in the construction trades with a focus on young adults living in public housing or in the rent assistance program. Through YouthBuild, members can receive hands-on construction training and work on preparing for their GED. The average number of participants trained by HACM per year is 10-12 participants.

HACM also partners with the two other YouthBuild training programs in Milwaukee (Northcott and Milwaukee Christian Center) by referring other interested residents to their programs. In addition, HACM has had a long-term partnership with the Milwaukee Community Services Corps (MCSC), which provides training and job opportunities for young adults ages 18-24 who are interested in construction work but lack job experience. MCSC was established in 1991 as an Urban Corps Expansion Site and has HUD Step-Up designation. HACM has worked closely with MCSC since 1992 to provide training and job opportunities for at-risk young adults.

Job Training: After the assessment by the Resident Employment Case Manager, HACM may refer residents to job training through a number of community agencies, including but not limited to: Employ Milwaukee (WIA training), Wisconsin Regional Training Partnership (WRTP)/Big Step, Milwaukee Area Technical College (MATC), 4Cs (Child care training), and other training programs.

@Promise Program: HACM also operates a program to train residents in administrative skills through a program called the @ Promise Program, administered by HACM's Human Resources Department. Selected residents attend a short-term job skills boot camp training and afterwards are hired by HACM for a two-year part-time job. At the same time, they are offered financial assistance towards their college degree or an Administrative Specialist Associates Degree.

Financial Literacy program/Individual Development Accounts (IDAs): Since 1989, Wisconsin Women's Business Initiative Corporation (WWBIC) has been offering quality business education, technical assistance, and access to capital to women, minorities, and low-income individuals pursuing entrepreneurship and business development as a means of self-sufficiency and economic independence. WWBIC trains, counsels, advises and mentors start-up entrepreneurs, small businesses and micro-businesses throughout Wisconsin. WWBIC offers a number of classes on how to start a business, and WWBIC has also been a leader in microcredit in Wisconsin, helping to provide access to capital to women, people of color and low income individuals.

WWBIC also offers other programs, such as their personal money management program, Make Your Money Talk, a six-session series covering such topics as creating a personal budget, developing a savings plan, and dealing with past and future credit. Graduates of the program can open an Individual Development Account (IDA), a special savings account where WWBIC will match the participant's savings \$8 for every \$1 saved, with a maximum account level of \$500 in actual participant savings and total with match of \$4,500. The IDA's can be used to start a small business, purchase a first home, or further a person's education.

Lease Addendum: In HACM's HOPE VI developments (Hillside Terrace, Parklawn, Townhomes at Carver Park, Highland Homes, and Scattered Sites) and at Westlawn Gardens, residents sign a lease addendum that requires them: (1) unless disabled, to have a self-sufficiency plan and work with HACM staff to achieve the goals outlined in the

plan; (2) to attend at least 6 of the 12 resident council meetings each year, and (3) cooperate with HACM in assessing and addressing the educational achievements and needs of their children.

To the greatest extent possible and practical, the HACM will provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations (according the QHWRA, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service requirement). HACM will also provide in-house opportunities for volunteer work or self sufficiency programs. HACM will provide the family with exemption verification forms and recording/certification documentation forms and a copy of the policy at initial application and at lease execution. HACM will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the grievance procedure if they disagree with the determination.

At lease thirty (30) days prior to annual re-examination and/or lease expiration, HACM will begin reviewing the exempt or non-exempt status and compliance of family members. If a family member is found to be noncompliant, HACM will enter into an agreement with the noncompliant member and the head of household to make up the deficient hours over the next twelve (12) month period. If, at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit. The family may use the grievance procedure to protest the lease termination.

Safety and Crime Prevention:

There are no changes to this section.

Annually, the Housing Authority's Public Safety section responded to about 10,000 calls for service from residents. While the majority of these calls were responding to alarms (building alarms, fire and smoke alarms, and medical pull-cord alarms in our developments) or for quality of life issues (noise, neighbor disputes, vandalism, etc.), these calls also included a number of complaints about drugs, gun offenses, loitering/prowling, and battery and/or domestic violence.

To reduce crime and maintain safety in public housing developments, the Housing Authority of the City of Milwaukee (HACM) created a Public Safety section in the early 1990s. The mission of HACM's Public Safety is to enhance the quality of life for residents living in public housing, by working cooperatively with residents, staff, the public and other law enforcement agencies to preserve the peace, reduce crime and provide for a safe, drug-free environment in which to live, work and raise families.

The Public Safety Department has a staff of 20 full-time employees who provide service 24 hours, 365 days a year. Public Safety Dispatchers staff a communication center 24 hours a day. In addition to fielding calls for Public Safety, the Communication Center answers calls for emergency maintenance and other Housing Authority services. In 2016, the Public Safety Department responded to more than 10,000 calls for service, including building and fire/smoke alarms. Public Safety Specialists patrol developments on foot, bicycles, and marked motor vehicles. Specialists also monitor building surveillance equipment and respond to medical and burglar alarms. Public Safety staff works closely with residents to ensure their safety concerns are addressed. Public Safety Officers attend each of the monthly Resident Organization meetings, and officers have daily contact with Housing Authority managers and residents. Residents, managers, and Public Safety Officers discuss any crime and safety concerns within their developments. Crime prevention measures and intervention strategies are discussed and implemented. Residents are encouraged to call Public Safety to report problems or suspicious activities as soon as they are observed.

In collaboration with the City Attorney's Office and the Milwaukee Police Department (MPD), Public Safety has closed hundreds of drug houses operating in public housing developments. Public Safety has issued more than 200 currently active "no trespassing orders" to individuals which bars them from all Housing Authority property. These no-trespass orders are issued to all persons evicted from public housing and is an effective deterrent in excluding known drug dealers and users from public housing.

Public Safety works closely with MPD's vice squad on drug activity at the housing developments. Staff respond to drug complaints from residents and investigate the complaint. If Public Safety staff can substantiate the complaint, they will obtain "intelligence" for MPD so that a search warrant can be obtained. The intelligence gathered by the investigators include physical descriptions of the drug dealers, aliases used, hours of operation, level of sophistication of the operation, weapons used, descriptions of cars (dealers and customers), types of customers, and types of drugs sold. MPD uses this information to obtain a search warrant, and search warrants are executed jointly between MPD and Public Safety. At the time the warrants are executed, MPD secures the units, makes the arrests and secures all the evidence. Public Safety enters the unit once the unit has been secured, photographs all the evidence seized, and documents all persons who are arrested, and immediately serves them with a no trespass notice, banning them from *all* of HACM's developments and property. This information is then used to begin "One Strike, You're Out" eviction proceedings which removes illegal drug users and dealers from public housing occupancy. This initiative received a City of Milwaukee, Innovation in City Government award in 1998, and was selected as a 1998 Merit Award winner by the National Association of Housing and Redevelopment Officials.

The vast majority of Public Safety's work is responding to service calls from residents. Public Safety tracks all service calls received, aggregating them into key indicators which provide a standard measure of residents' concerns. These service call indicators provide feedback about concerns that are being address and which are escalating, requiring other interventions. The quality of life problems that are precursors to drug, gang and serious criminal activity are unabated noise complaints, loitering, disorderly conduct, panhandling, vandalism and trespassing. Public Safety responds aggressively to these complaints so that quality of life issues do not escalate into the more serious problems of domestic violence, prostitution, drug activity, gang activity and robberies.

Public Safety is responsible for patrolling the interior of the high-rise developments, parking lots, common areas and community buildings. High visibility of Public Safety is maintained through uniforms and marked vehicles which provide a visual deterrent to criminal behavior. Saturated patrols are used to patrol crime "hot spots." In 1999, Public Safety received the authority to issue city of Milwaukee parking tickets to vehicles parked illegally on HACM property. This added authority permits HACM to enforce parking regulations by keeping nuisance vehicles out of parking lots, and keeping fire lanes open for emergency vehicles.

The Chief of Public Safety is responsible for coordinating HACM's Public Safety efforts with those of other law enforcement agencies. As such, the Chief of Public Safety meets and communicates regularly with the Milwaukee Police Department, shares intelligence information relative to drug and gang activity, and is involved in the coordination of the execution of search warrants.

In addition, Public Safety staff meets regularly with the Milwaukee Police Department and other area law enforcement agencies to exchange information and work cooperatively to provide a safe, secure, and enjoyable environment for all residents. The Chief of Public Safety is also a member of the Milwaukee County Law Enforcement Executives Association (MCLEEA) which meets monthly. The primary purpose of MCLEEA is to foster cooperation among Law Enforcement Administrators within Milwaukee County.

The Housing Authority's Public Safety staff has an excellent working relationship with other law enforcement agencies and has signed Memorandums of Agreement (MOAs) with the Milwaukee Police Department (MPD), Milwaukee Sheriff's Department, U.S. Attorney General's Office Department of Justice Eastern District of Wisconsin, the Federal Bureau of Investigation (FBI), Drug Enforcement Agency (DEA), U.S. Marshal Service, and the State of Wisconsin Department of Corrections – Probation and Parole.

The Violence Against Women Act (VAWA) requires PHAs to describe any goals, objectives, policies, or programs that enable the PHA to serve the needs of victims of domestic violence, dating violence, sexual assault, or stalking.

The Housing Authority of the City of Milwaukee (HACM) is committed to full compliance with the Violence Against Women Act (VAWA) (1994, 2005 Reauthorization, 2008 Conforming Amendments, and 2013 Reauthorization). It is our objective to work with others to prevent the types of victimization covered by VAWA to the greatest extent possible and to affirmatively further fair housing.

After the 2005 Reauthorization of VAWA, HACM staff and legal counsel consulted with victim advocates in the drafting, revising, and implementation of policy language changes. At that time, HACM worked with advocates from Task Force on Family Violence, American Civil Liberties Union and Legal Action of Wisconsin to incorporate the provisions of VAWA into its Low Rent lease, Admissions and Continued Occupancy Policy (ACOP), Resident Handbook and Section 8 Administrative Plan. The HACM Board of Commissioners adopted the provisions of VAWA at its September 19, 2007 meeting.

HACM has continued to review and update its provisions related to VAWA in both the ACOP and the Section 8 Administrative Plan, based on changes in law and regulations. In 2018, changes were made to adopt an Emergency Transfer Policy” and to make related changes in both ACOP and the Section 8 Administrative Plan.

In addition to the review and amendment of VAWA language in our policies, HACM also recently made modifications to the Notice of Occupancy Rights under VAWA , and will continue to offer the Notice, along with the certification form and the “You Are Not Alone” pamphlet put out by the Milwaukee Commission on Domestic Violence and Sexual Assault or similar information, to all applicants at the time of eligibility and suitability review for housing, to those who are denied assistance, at the time an individual is admitted, and with any notification of eviction or notice of termination of assistance. Additionally, HACM sends a notice regarding VAWA rights to all property owners participating in the Housing Choice Voucher program.

HACM also has a Social Worker and Case Managers on staff and also works with a nonprofit service provider (SET Ministry) in a number of its developments for seniors or persons with disabilities. Each of these individuals offers case management services to those in need, and they occasionally work with victims of domestic violence, dating violence, sexual assault, or stalking. HACM collaborates and makes referrals to a number of public and nonprofit agencies that provide activities, services and programs to assist and support victims of domestic violence (many of them listed in the “You Are Not Alone” brochure), including 24-hour crisis help lines, shelters, counseling services, child abuse services, and medical and legal support. HACM also is a sponsor of the Milwaukee Fatherhood Initiative, which addresses domestic violence in some of its trainings to fathers such as “Nurturing Fathers.”

During 2015, HACM provided updated training for staff and various partners, including: those responsible for determining an applicant’s eligibility for housing; those at the housing developments responsible for overseeing resident continued occupancy; Housing Choice Voucher staff; social workers and case managers; and public safety staff involved in intervention. The training will educate staff on the provisions of VAWA; how to obtain information needed from the applicant/resident who is seeking protection under VAWA; and on resources and services available in the Milwaukee area for victims of such violence. Resident Advisory Board members and other key resident leaders will also receive training on how to help victims get connected with services when an actual or threatened domestic abuse incident occurs. In 2017, HACM trained property managers and others managers on updated VAWA forms and policies.

Pet Policy

No changes. Residents of public housing developments that are exclusively for the elderly, handicapped, or disabled persons are permitted to keep pets with written permission from HACM. The privilege may be revoked at any time subject to HACM’s grievance procedure if the animal becomes destructive, a nuisance, or a health or safety hazard to the other residents. For family public housing developments, dogs and cats are permitted only in the single-family scattered site homes. Details of the HACM pet policy are available at all administrative offices and housing development offices.

Asset Management

No changes. The HACM will continue to maintain compliance with the Asset Based Management regulations. The continued underfunding in operating subsidy resulted in an operating deficit for most of the AMP units. We will continue to evaluate the impact of the Resiliency Plan implemented in 2015 on the delivery of services and the long-term fiscal sustainability of the AMPs. Automated information systems are in place to provide executive management and property managers with online-real time reports that can be used to effectively manage the AMPs. In addition, management will continue to conduct operational reviews in some of our core business processes to increase efficiency and reduce operating cost.

The HACM will continue to use 20% Capital fund Program (CFP) to supplement operating subsidy and will request waiver to use CFP to pay for public safety operations. CFP will also be used for comprehensive employee training and development, eligible resident services activities, eligible resident self-sufficiency programs, and continued implementation of Section 3 opportunities. HACM expects to use CFP and other private and federal grants for construction of new units, major rehabilitation, energy efficiency, and to address long-term deferred maintenance items on the properties. In conjunction with the planned conversion under the Rental Administration Demonstration (RAD) program, HACM will evaluate the fiscal and physical viability of each AMP under the Public Housing Portfolio for effective repositioning.

Substantial Deviation/Significant Amendment

There are no changes to this section.

HACM may amend or modify any policy, rule, regulation, or other aspect of the 5-year and/or Annual Plan.

The Quality Housing and Work Responsibility Act of 1998 does not require an annual update of the 5-Year Plan, but does require that public housing authorities explain any “substantial deviation” from the 5-Year Plans in their Annual Plans. A substantial deviation can include:

- a) A change or changes to the 5-year goals or objectives that are substantial but do not rise to the level of a “significant amendment” (such as the modification or elimination of a specific objective or minor program while retaining the overall strategic goal and accomplishing it through other objectives).
- b) Additions of a Capital Fund project or non-emergency work items that are not included in the current Annual Statement or 5-year Action Plan in an amount less than \$1,000,000;
- c) Or changes in the use of replacement reserve funds under the Capital Fund program in an amount less than \$1,000,000;

As part of the Rental Assistance Demonstration (RAD), the Housing Authority of the City of Milwaukee is redefining the definition of a substantial deviation from the PHA Plan to exclude the following RAD-specific items:

- a) The decision to convert to either Project Based Rental Assistance or Project Based Voucher Assistance;
- b) Changes to the Capital Fund Budget produced as a result of each approved RAD Conversion, regardless of whether the proposed conversion will include use of additional Capital Funds;
- c) Changes to the construction and rehabilitation plan for each approved RAD conversion; and
- d) Changes to the financing structure for each approved RAD conversion.

A “significant amendment or modification” to its 5-Year plan and/or Annual Plan is a change in policy that significantly and materially alters HACM’s stated mission, goals, objectives and activities as stated in the Plan. If a change is considered a significant amendment or modification to the 5-Year Plan or to the Annual Plan, it must undergo a public

process that includes consultation with the Resident Advisory Board; public notice and public comment period; a public hearing, and approval by HACM's Board of Commissioners; and submission to and approval by HUD.

Significant amendments are defined as including the following:

- a) A change that materially revises the agency's mission, goals, or objectives;
- b) Material changes to rent or admissions policies or organization of the waiting list;
- c) Additions of a Capital Fund project or non-emergency work items that are not included in the current Annual Statement or 5-year Action Plan in an amount equal to or greater than \$1,000,000, excluding projects arising out of federally-declared major disasters; acts of God beyond the control of the Authority, such as earthquakes, fires, and storm damage; civil unrest; or other unforeseen significant event;
- d) Changes in the use of replacement reserve funds under the Capital Fund program in an amount equal to or greater than \$1,000,000;
- e) Material changes in regard to demolition, disposition, designation, homeownership, capital fund financing, development, mixed financing proposal, or conversion activities;
- f) Any other event or activity that the Authority's Board of Commissioners determines to be a significant amendment to the approved 5-Year Plan or Annual Plan.

B.2 New Activities

HOPE VI or Choice Neighborhoods:

In December 2020 and/or in 2021, HACM intends to apply as applicant or co-applicant for CNI Implementation grant to transform the Near West Side neighborhood, with College Court (WI002000011), other HACM AMPs and/or any other assisted housing developments for families not owned by HACM in the area as target housing developments. Marquette University previously was awarded an FY 2018 Choice Neighborhood Planning grant for the Near West Side neighborhood to develop a transformation plan. College Court (WI002000011) has 251 public housing units that are designated as mixed (designated for seniors and persons with disabilities).

Mixed Finance Modernization and Development:

HACM will continue to submit for future phases of Westlawn Development and for the AMPs identified in the RAD conversion program.

Potential disposition activities (other than already described under the RAD section) that HACM intends to submit for approval by the U.S. Department of Housing & Urban Development shall include the following:

Disposition of community buildings at Parklawn to Central City Cyberschool (AMP WI002000007): Discussions continue between HACM and the Central City Cyberschool about the purchase of the facilities used for their day care, elementary and high school. The discussions are in progress and terms have not yet been finalized.

The Housing Authority of the City of Milwaukee (HACM) is working to transform the Westlawn Gardens neighborhood into an inclusive community of opportunity with quality housing, schools, businesses, services and amenities where people want to live, learn, work, shop and play. HACM received a Choice Neighborhoods Implementation (CNI) grant in 2015 from the U.S. Department of Housing and Urban Development (HUD) to revitalize the housing formerly known as Westlawn West under the Rental Assistance Demonstration (RAD) Program.

The 394 Public Housing units at Westlawn West were demolished between 2016- 2017 and HACM has been rebuilding new units in phases. In 2021, HACM added an election of what HUD refers to as a “de minimis reduction” to convert 5% (20 units) of replacement RAD project-based voucher units at Westlawn West into regular project-based voucher units. This means there will be no reduction of the total number of subsidized units. HACM is considering this option because the subsidy income from regular project-based voucher units is higher than that from RAD project-based voucher units. Like many other public housing authorities nationwide, HACM is facing budget challenges and we need to seek the highest subsidy in order to maintain the housing development.

HACM may submit RAD Applications in the future for the following AMPs:

AMP	Property	Office Address	Units	Type
WI002000013	ARLINGTON COURT	1633 N. Arlington Pl.	230	PBV

We also plan to begin implementation of RentCafe for public housing and rent assistance intake forms and for annual recertifications in 2021.

Tax Credit Management: In January 2020 HACM became the property manager to three tax credit properties; Holton Terrace, Merrill Park, and Becher Court. HACM will continue to develop and improve management skills to support future property management contracts.
