INTRODUCTION

A. Background

In 2006, the State of Wisconsin signed into law, the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood lighting, distinctive signage, and pocket-parks, enhanced public green spaces and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district.

On 11/7/17 the City of Milwaukee Common Council approved the creation of Neighborhood Improvement District #9, resolution #170606 for the purpose of revitalizing and improving the Havenwoods neighborhood area on Milwaukee's far northwest side. (See Appendix C). The NID law requires that every district have an annual Operating Plan. This document is the third annual Operating Plan for the Havenwoods NID district. The NID board prepared this Plan based on the Original Operating Plan that included technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The boundary for the Havenwoods Southeast NID begins at N. 55th Place and goes to N. 76th St from Silver Spring Drive through Kaul Avenue with the following exclusions being public spaces and industrial uses:

- Carmen to Kaul Avenue from N. 55th St. to N. 60th St.
- Florist to Kaul Avenue from 64th St. to 73rd St.

The Havenwoods community consists of primarily affordable, post WW2 developments of ranch style homes with large yards on a traditional urban grid. The Havenwoods is home to vast green spaces and recreation destinations such as the Havenwoods State Forest, McGovern Park, Westlawn Gardens, Green Tree Community Garden and numerous pocket parks.

Havenwoods enjoys a significant level of civic engagement via block watch activities, volunteerism for special events, and resident leadership training.

The community is economically supported by over 70 industrial businesses including Direct Supply, Brady Corporation, Fed-Ex and HellermannTyton. In addition to those global corporate headquarters, there are smaller family owned manufacturing companies that have over 50 years of history in Havenwoods. Retail goods and services include a major grocery store chain, national franchises for apparel and national and local restaurants serving Havenwoods. Havenwoods businesses currently support the community through job creation and through the Business Improvement District #31.

Quality of life amenities and services in the community include initiatives brought forth by the lead community development agency Havenwoods Economic Development Corporation. Amenities include summer community concerts, home repair assistance, community gardening and community banquets. Resources in Havenwoods include but are not limited to Lighthouse Youth Center, Silver Spring Neighborhood Center, Milwaukee Achievers and Milwaukee Job Corp.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the NID is to improve quality of life within the established NID boundaries through increased resident engagement, fund community improvement projects, implement safety initiatives, and improve housing conditions. The NID will not own real estate.

1. Neighborhood Safety Initiatives:
 - a. Develop and maintain activities of existing block watch clubs throughout the NID district.
 - b. Maintain grant programs for improved safety and security of homes and public spaces.
2. Community engagement activities:
 - a. Continue to build relationships with homeowners, landlords and tenants to encourage pride and ownership of the community.
 - b. Develop and support neighborhood events such as plant sales, neighborhood clean-up days, performing arts and community gatherings.
 - c. Continue to provide technical assistance to landlords within NID boundary via landlord meetings.
 - d. Work to develop and fund neighborhood beautification initiatives.
3. Youth Work Crew:

Proposed Budget– Year Five 2022
See Appendix A

D. Financing Method

It is proposed to raise \$87,375 through NID assessments (see Appendix D). HEDC will leverage additional grant dollars to assist in implementing the NID operating plan as indicated in Appendix A (budget).

E. Organization of NID Board

The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of NID assessments.

State law requires the local legislative body must set the time and place for a meeting at which members of the board will be elected, and shall publish a class 2 notice under Ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

It is recommended that the NID board be structured and operate as follows:

1. Board Size – minimum 5 and maximum 11
2. Composition - NID Board must consist of at least five members. The composition of the NID board will be divided between commercial and residential properties in the same proportion as the aggregate valuation of commercial property and the aggregate proportion of residential property.
3. Term –Each group shall elect from among its members a number of board members to represent its group. One group shall consist of those individuals who own or occupy commercial property, and one group shall consist of those individuals who own or occupy residential properties. All members will be elected to the Board for a one year term.
4. Compensation – None
5. Meetings - All meetings of the board shall be governed by the Wisconsin Open Meetings Law.
6. Record Keeping - Files and records of the board's affairs shall be kept pursuant to public record requirements.
7. Staffing - The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.
8. Meetings - The board shall meet regularly, at least twice each year. The board shall adopt rules of order (“by laws”) to govern the conduct of its meetings.
9. An Annual meeting shall be held within the first two months of the calendar year, at which members will elect a Board of Directors, with one vote allocated to each member present.

F. Relationship to the Havenwoods Economic Development Corporation (HEDC)

The NID shall be a separate entity from the Havenwoods Economic Development Corporation notwithstanding the fact that members, officers and directors of each may be shared. HEDC shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the NID board. HEDC may, and it is intended, shall, contract with the NID to provide services to the NID, in accordance with this Plan.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

Residential property owners will be assessed a flat fee based on the following property classes:

Owner Occupied Single Family Homes: \$25.00

Owner Occupied Two & Three Unit Homes: \$50.00

Investor Owned Single, Double and Triple-Unit homes: \$75.00

Mercantile Apartments (buildings with 4 or more units): \$25 per unit to a maximum of \$300.

Investor Owned Single, Double and Triple Unit homes owned by NID resident: \$50.00

Property parcels that serve as a yard to adjacent property: \$0

There will be a sunset provision of five years (that is, one year from this current operating plan). After five years from its inception, or fall of 2022, the NID will hold a vote as to whether to continue the NID.

As of January, 2022 the **assessable** property in the proposed district will have a total assessed value of approximately \$146,376,000. This does not include exempt, commercial or Special Mercantile properties.

This plan proposed to assess the property in the district at the flat fee outlined above. Appendix D shows the projected NID assessment for each property included in the district.

V. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. Enhanced Safety and Cleanliness:

Under Wisconsin Statutes section 66.1110 (2) (d) this operating plan is required to specify how the creation of the District promotes the orderly development of the City. The will enhance the safety and cleanliness of the Havenwoods NID and consequently, encourage positive commercial and residential activity in the City. Increased activity in the City will increase property tax base and sales tax revenues.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4) (c) of the NID law.

5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.
7. The City of Milwaukee, through the Office of the City Attorney, **will not** provide legal advice to the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process was followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Community and Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council shall publish a class 2 notice regarding the meeting at which it will vote on whether to adopt the proposed initial operating plan. Before publication, a copy of the notice shall be sent by certified mail to all owners of real property within the proposed NID.
6. The Common Council will act on the proposed NID Plan.
7. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
8. If approved by the Mayor, the NID is created and the election of NID board members occurs pursuant to Wis. Stat. § 66.1110(4) (a).

B. Petition to Terminate the District: The City shall consider terminating the District if a petition to terminate is filed with the City Planning Commission in conformity with Wisconsin Statutes Section 66.1110(6) (a).

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in the original Operating Plan.

Wisconsin Statutes section 66.1110(4)(b) of the NID law requires the Board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program and proposed activities, information on specific assessed values, budget amounts and assessment amounts are based on current conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates.

In later years, the NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the NID and this NID Plan shall be amended to conform to the law without need of reestablishment.

- b. Maintain grant programs for improved safety and security of homes and public spaces.

2. Community engagement activities:

- a. Continue to build relationships with homeowners, landlords and tenants to encourage pride and ownership of the community.
- b. Develop and support neighborhood events such as plant sales, neighborhood clean-up days, performing arts and community gatherings.
- c. Continue to provide technical assistance to landlords within NID boundary via landlord meetings.
- d. Work to develop and fund neighborhood beautification initiatives.

3. Youth Work Crew:

- a. Continue to hire youth from the community for neighborhood youth employment and enrichment program.
- b. Hire supervisor(s) for youth employment program.

** The board reserves the right to re-allocate funds between initiatives in the case of unforeseen circumstances.

Financial Relationships w/ other entities (CDCs, non-profits, associations)

- Havenwoods Neighborhood Partnership is the fiscal agent for NID#9. In addition, part of the NID funding goes toward the staffing, technical and administrative services that HNP provides the NID neighborhood per the original Operating Plan and accompanying budget and the NID's inception.
- Employ Milwaukee committed up to \$13,048 for our Earn and Learn Youth Crew. That was 8 students at 7 weeks, 20 hours per week, \$11.65/hr. Due to vacation and some days missed, the full final amount was slightly less than the full amount.
- A.W.E. facilitated a mural project for the Youth Employment Program. Balvir Singh prepped and is providing a blank side of his gas station to hang the mural.
- NID #9 works with Lighthouse Youth Center on the Holiday Lights Contest and provides a meal for the Lighthouse Youth.

Havenwoods NID#9 Annual Report

(Sept.2020 – Aug. 2021)

- Conservation Energy does free energy assessments for NID residents, providing scopes they can use for energy improvement grants.
- The Youth Crew worked a couple afternoons at Havenwoods State Forest.
- The NID serves several of our summer sponsors by providing the Earn and Learn Crew to do work at the Rhythm and Blooms Summer Concert series.
- The Resident Engagement Committee worked with the Community Connections Small Grants program to fund a neighborhood project.

Narrative about the increase/decrease from the prior year. What were the causes of the increase/decrease? (New development, increased vacancies, etc.)

The total assessment within the district increased by \$525.

2020's assessment for the 2021 budget was \$86,850

2021's assessment for the 2022 (prior to final assessment list) is \$87,375.

Reasons for assessment increases or decreases:

The biggest reason for NID 9 assessment increases are if more properties switch hands from homeowner occupant to investor owner. Decreases are mainly due to the inverse, more properties switch hands from investor owner to homeowner occupant. Investor owners are charged a bit higher assessment.

Core Programs

1. Neighborhood Safety Initiatives:

- a. Develop and maintain activities of existing block watch clubs throughout the NID district. Liz Hammer, our community organizer, continues to assist the three block watch groups and one block watch email loop functioning in the NID. This includes helping with block watch meeting agendas, participating in block watch meetings, helping deal with nuisance properties, connecting residents to City resources and departments and distributing useful information.
- b. Maintain grant programs for improved safety and security of homes and public spaces. HEDC manages the approval process and reimbursement for five current grant programs including the exterior door improvement program, exterior lighting program, Ring doorbell program, porch/fence/walkway program and Conservation Energy program.

2. Community engagement activities:

- c. Continue to build relationships with homeowners, landlords and tenants to encourage pride and ownership of the community. The NID worked to build relationships not only through the previously mentioned block watches but also through neighborhood events and communications via the Newsletter and special postcard mailings. This year, the Res Engagement Committee carried out a neighborhood flag project in which 100 residents will be given special garden/yard flags to hang in their yard – showing neighborhood unity and beautification.
- d. Develop and support neighborhood events such as plant sales, neighborhood clean-up days, performing arts and community gatherings. NID 9 was able to hold their Annual Meeting event at the beginning of the year, but had to make it virtual. Participating residents were provided with dinner from a local food

Havenwoods NID#9 Annual Report (Sept.2020 – Aug. 2021)

truck to eat during the Zoom – annual meeting. Because trick-or-treating was canceled due to Covid in 2020, the Resident Engagement Committee facilitated an outdoor trunk-or-treat program – socially distanced but fun for families.

The NID did help facilitate the HNP Bloom and Groom flower sale – adding planters and additional flowers for residents to plant.

The Havenwoods Flag project mentioned above is done in conjunction with the improvement of the Carmen Park playfield by MPS Rec. MPS Rec and the NID used combined events to get feedback for the park and flag sign-ups.

- e. Continue to provide technical assistance to landlords within NID boundary via landlord meetings. Community Organizer, Liz Hammer, continues to facilitate meetings for the KANDO Landlord Compact and other technical assistance, which serves many of our NID landlords.
- f. Work to develop and fund neighborhood beautification initiatives. The NID carried out both fall and winter exterior décor contests. To support seniors with some holiday cheer and beautification, the NID provided them with holiday wreaths for their door. The aforementioned flag project and flower pot project also promote beautification. The Earn and Learn crew built flower boxes for some of the residents and did yard work for seniors.

3. Youth Work Crew:

- g. Continue to hire youth from the community for neighborhood youth employment and enrichment program. Havenwoods NID worked with Lighthouse Youth Center to assist neighborhood youth in applying to the Earn and Learn program. Ultimately, Employ Milwaukee assigned 8 youth to the Havenwoods team.
- h. Hire supervisor(s) for youth employment program. Havenwoods NID hired back Amy Lentz for their summer Earn and Learn supervisor.

HAVENWOODS NEIGHBORHOOD IMPROVEMENT DISTRICT #9
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Organization and business activity

The Havenwoods Neighborhood Improvement District #9 (NID) was created by the City of Milwaukee through resolution file No. 170606 on November 17, 2017. The purpose of a Neighborhood Improvement District is to revitalize and improve a neighborhood area in Milwaukee. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood lighting, distinctive signage, pocket-parks, enhanced public green spaces and other activities as approved by the NID board.

Neighborhood Improvement Districts are authorized by Wisconsin Statutes Section 66.1110.

2. Cash and cash equivalents

The NID considers all cash and highly liquid financial instruments with original maturities of three months or less to be cash and cash equivalents.

3. Accounts receivable

Accounts receivable consist primarily of noninterest-bearing amounts due for program services. The NID determines the allowance for uncollectible accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectible. At December 31, 2020 and 2019, management determined that no allowance for uncollectible accounts receivable was required. The NID has no accounts receivable at December 31, 2020 and 2019. Receivables from contracts with customers are reported as accounts receivable, in the accompanying statements of financial position. Contract liabilities are reported as deferred revenue in the accompanying statements of financial position.

4. Prepaid expenses

Prepaid expenses are recognized when payments are made for goods or services to be received in a future period.

HAVENWOODS NEIGHBORHOOD IMPROVEMENT DISTRICT #9
NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2020 AND 2019

A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

5. Net assets

The NID follows the accrual method of accounting wherein revenues and expenses are recorded in the period earned or incurred. Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

The NID reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

6. Revenue and Revenue Recognition

Revenue is recognized from rental and programs when the services are provided. All services are transferred at a point in time. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. As of December 31, 2020 and 2019, the NID has no conditional contributions.

A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

7. Donated services and in-kind contributions

Volunteers contribute significant amounts of time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. The NID records donated professional services at the respective fair values of the services received.

8. Allocation of functional expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, professional services, office expenses, supplies, insurance, and other, which are allocated on the basis of estimates of time and effort.

9. Income taxes

The NID is exempt from income tax as an affiliate of a governmental unit pursuant to Section 501(a) of the Internal Revenue Code.

The NID evaluates its tax positions and assesses their uncertainty, if any, through review and application of various sources of tax authority including statutes, regulations, rulings, court cases and widely held administrative practices.

10. Use of estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

11. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through August xx, 2021, which is the date that the financial statements were available to be issued. See Note F.

F – SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19) a pandemic. As a result, economic uncertainties have arisen which are likely to negatively impact support and revenue. The COVID-19 outbreak in the United States has resulted in reduced activities, cancellation or postponement of events, as well as temporary closures where government mandated. At the current time, the NID is unable to quantify the potential effects of this pandemic on our future financial statements
