FMCSA Launches Drug and Alcohol Clearinghouse Website, Updates SMS Website

March 07, 2019

FMCSA Launches Drug and Alcohol Clearinghouse Website

This week, FMCSA launched a new website with information about the Commercial Driver's License Drug and Alcohol Clearinghouse. Visit <https://clearinghouse.fmcsa.dot.gov> (<https://clearinghouse.fmcsa.dot.gov>) to learn more about how CDL drivers and their employers will be required to use the Clearinghouse beginning January 6, 2020. You will be able to sign up for email updates.

FMCSA Updates SMS Website

FMCSA has updated the [CSA SMS Website \(https://ai.fmcsa.dot.gov/SMS/\)](https://ai.fmcsa.dot.gov/SMS/) with the February 22, 2019 results.

Motor carriers participating in [FMCSA's Crash Preventability Demonstration Program \(https://www.fmcsa.dot.gov/safety/crash-preventability-demonstration-program-final-determinations\)](https://www.fmcsa.dot.gov/safety/crash-preventability-demonstration-program-final-determinations) will continue to see the Agency's final determinations on SMS for crashes reviewed as part of the program. Logged-in carriers and enforcement users with crashes determined to be Not Preventable as part of the program can view measures and percentiles calculated with and without those crashes.
