Meeting: FINANCE & PERSONNEL COMMITTEE on 2021-10-15 9:00 AM - Special This is also a virtual meeting. Those wishing to view the proceedings are able to do so via the City Channel - Channel 25 on Spectrum Cable - or on the Internet at <http://city.milwaukee.gov/c>

Item: 1. 210894 Substitute resolution relating to the appropriation of the remainder of the first tranche of American Rescue Plan Act funds.

eComment: As a Milwaukee resident, I support using the City's ARPA allocation for a variety of programs and services, including many of those outlined by the Alders. I highly encourage support of efforts to prevent and address lead poisoning (including proposals like 10, 53, 54 and 57) as well as initiatives to promote safety and reduce violence in our communities (including proposals like 50 and 78). In addition, I also support many of the concepts outlined to support housing affordability and stability (proposals such as 14-18, 32-34), employment and job training opportunities (22, 23), parent supports (56), initiatives to bolster the child care system (40), addressing broadband access (21) and food security (such as 25, 71), promoting healing spaces (29), piloting UBI (43), efforts to support those in mental health crisis and dealing with mental illness (such as 51, 55) as well as efforts to ensure that this historic investment of federal funds to our city is spent in a meaningful and equitable way by lifting up the voices of all Milwaukee residents (42).
