*Jerrel Kruschke (DPW Commissioner) and Kevin Muhs - (City Engineer) were present. Files 191930 and 211119 were called together.*

*Mr. Kruschke appeared on behalf Ms. Rodriguez with the following update:*

*-City owned properties - lot maintenance crew continues with 5th mowing cycle.*

*-Just finished the 1st mowing cycle adjacent to freeways, the second cycle will start on the first week of August which includes the litter pick up on the city's side of freeways.*

*-The beer line and KK trails are mowed twice.*

*-Sweeping has been done three times this year, they are 50% done with the second time thru alleys and boulevard roads.*

*-Looking to have crews to work on Saturday to catch up with sweeping before the winter season (due short staffing issues).*

*-Regarding the recycling plant: they are currently working with the attorney's office and the insurance claim. No service disruptions, they continue using the Lincoln*

transfer station to sort and ship out to other plants in the southeast region and Madison.

Mr. Kruschke said that they meet with WM and that they are in the process of rehabbing their facility and looking to have it up and running by the end of the year or early next year so we don't have to ship to the other recycling facilities around the state.

Communication from the Department of Public Works relating to the status of Traffic-Calming and Complete Streets projects to address reckless driving and to provide a safer infrastructure for bicyclists and pedestrians.

**Sponsors:** Ald. Bauman

Mr. Muhs said that it is construction season, that a lot is happening out there. Ald. Brostoff asked to give a brief update on the reckless driving reduction initiative. Mr. Muhs said that measuring the progress is a difficult thing to do, that they will be looking in the future for death, fatality rate, life changing injuries rate, serious injuries rate and that those numbers will go down consistent with the zero vision piece. He added that they have seen progress and effectiveness in decreasing speeds particularly on drivers going 10 mph over the speed limit. Ald. Brostoff said that it is important to share that data with the public. Mr. Muhs said that they will share and promote the new data on speed reduction with the constituents.

**A motion was made by ALD. STAMPER that this Communication be HELD TO CALL OF THE CHAIR. This motion PREVAILED by the following vote:**

**Aye** 5 - Bauman, Stamper, Zamarripa, Brostoff, and Westmoreland

Communication from the Department of Public Works relating to the dockless motorized scooter operations.

**Sponsors:** THE CHAIR

Jerell Kruschke, Mike Amsden and Kate Riordan - DPW  
Ms. Riordan made a presentation that it has been added to the file. Ms. Riordan said that the revenue is used to pay for staff (administration) and for infrastructure investment (like parking corrals).  
Mr. Amsden asked the members to provide/send all the feedback/complaints for statistics. He also said that 9 crashes involving dockless scooters have been reported to MPD since last September.  
Ald. Brostoff said that the rides numbers are a reminder that we need to move towards other multi-modal transportations in the city. He also said that if the program is going to move forward, the speed limits on certain areas and hours should be revised.  
Mr. Amsden said that they want to record the entire season before moving forward with the one on one meetings with the alderpersons.

**A motion was made by ALD. BROSTOFF that this Communication be HELD TO CALL OF THE CHAIR. This motion PREVAILED by the following vote:**
