1. [081020](#)

Substitute motion to approve the recommendation of the Licenses Committee relative to the revocation of the Class "A" Liquor and Malt and Food Dealer licenses of Jack A. Castiglione, Agent for Paul's Beverage Center, LLC for "Paul's Beverage Center" at 6220 West Silver Spring Drive.

**Sponsors:** THE CHAIR

*Atty. Andrew Arena at the table as counsel. Applicant at the table.*

*Asst. City Attorney Adam Stephens at the table. He says that the part of the police department complaint dealing with the Cigarette and Tobacco license can be disregarded.*

*Ald. Zielinski moves to amend the motion as a revocation for the Class "A" Malt and Food Dealer licenses only. Prevailed 5-0.*

*Mr. Stephens summarizes the police complaint. He also requests that Sgt. Ulickey read the complete police report into the record. Sgt. Ulickey does so.*

*Mr. Arena objects to the items in the PA33 as hearsay. Mr. Schrimpf says that it is a record kept in the course of action by the police department and as such is a narrative, not a summary. The objection is noted.*

*Sgt. Ulickey reads from the PA33, and Mr. Arena objects to the reading of the police report again as double hearsay. The objection is noted, but the committee decides to proceed despite the objection.*

*Ald. Kovac moves to make the PA33 police report for July 28th, 2008 part of the official record. Prevailed 5-0.*

*Ald. Bohl asks if any illegal weapons charges were brought against the licensee. Atty. Stephens says he doesn't believe so and Mr. Arena says no.*

*David Salazar, Detective with Homicide Division of District 4 of the Milwaukee Police*

*Department, at the table. He says that the licensee admitted, in a conversation with the detective during the murder investigation, to the drug use that is alleged in the complaint.*

*Ald. Bohl asks why criminal charges were not brought against the licensee. Det. Salazar says that arrests are made upon the discretion of each officer and that homicide investigations involve circumstances that do not always lead to arrests in the course of the investigations. Det. Salazar says each case is different.*

*Mr. Arena asks if Mr. Castiglione was Mirandized during the conversation in which he admitted to drug use, and Det. Salazar says he was not due to Mr. Castiglione not being in custody.*

*Mr. Arena asks if any drug transactions occurred on a surveillance video taken in the store, and Det. Salazar says no. Det. Salazar says that Mr. Castiglione told him that the drug deal between the decedent and himself occurred in the parking lot where there was no video camera.*

*Det. Salazar says the firearms found in the store were not found to be altered illegally and they were not evidence of a crime, so they were not seized. Mr. Castiglione is not a felon, so it was not illegal for him to have the firearms. The stun gun was illegal to possess, so it was confiscated.*

*Mr. Arena points out that Mr. Castiglione has not been charged or convicted with any crime. He also says that the licensee has never been in front of the committee with regards to his malt license and that the store is a family business. He also says that the applicant has narcolepsy.*

*Mr. Arena says that Mr. Castiglione denies doing drugs and that any illegal paraphernalia found at the store was that of an employee. Mr. Arena says that Mr. Castiglione has firearms at the store because he was robbed at the store in the past and because he did not want to keep them at home. He also says that the licensee did know the murder victim as a customer, but that the victim was a friend of the woman named in the police report.*

*Mr. Arena says there is a camera focused on the parking lot at the business, but it does not record. He also says that the applicant only told the police the story that he did because he thought it was what he wanted them to hear.*

*Jack A. Castiglione, licensee, testifying.*

*Ald. Zielinski asks Mr. Castiglione why he lied to the police. Mr. Castiglione says that he told the officer the story because he thought it was what the Detective wanted to hear and because he felt pressured. He didn't think anything would come of it.*

*Ald. Zielinski asked about the drug paraphernalia, and Mr. Castiglione says that he doesn't know how it arrived in his store.*

*Detective Salazar back at the table. He testifies about a tape taken at the business location.*

*Mr. Schrimpf asks about two interviews with the police and Mr. Castiglione. Mr. Castiglione says that the police officer who interviewed him the first time in his store had facts and times wrong in the report of the interview. Mr. Schrimpf asks Mr. Castiglione when the interview in his store occurred and Mr. Castiglione replied that it was in the afternoon.*

*Ald. Zielinski asks Mr. Castiglione why he maintained the same story between with both officers. Mr. Castiglione says that he did not think it was important.*

*In response to a question by Ald. Zielinski, Det. Salazar says he believes that Mr. Salazar was telling him the truth during the interview.*

*No neighborhood objectors present when called.*

*Larry Castiglione, N79 W15059 Menomonee Manor Drive, Menomonee Falls, father of the applicant, owner of the building and member of the LLC. He says that business has been in the family since 1939. He says he is upset that a surveillance tape from the business was not brought to committee by the police. He also says that there has been no trouble at the store and he believes that the alderman of the district should have made himself known to his son, the licensee. prior to the revocation being filed.*

*Ald. Bohl requests that the City Clerk's office post larger signs outside the door of the Committee room telling applicants to turn off all cell phones.*

*Mr. Arena asks why Mr. Castiglione told a story about drug use to the police. Mr. Castiglione says that he felt was under pressure to tell the police a story since he felt that the truth was not being believed. Mr. Arena says that there is no record of past drug activity at the store. He also says that if any action is taken, a suspension would be more appropriate.*

*Atty. Stephens requests that the committee recommend revocation of the license.*

*Revocation based on the police report as well as corroborating testimony from the police department. Prevailed 4-1. (Ald. Coggs voting "no")*
