2. Review and approval of minutes of Nov. 11th.

Mr. Royal moved, seconded by Ms. Mays, for approval of the minutes. There were no objections.

3. Discussion and possible vote on hiring a consultant to conduct a community survey.

Mr. Jansen moved to table this item to the next meeting.

4. Discussion and possible vote on use of force language

Mr. Royal said the proposed language deals with a couple of areas of the Standard Operating Procedure and is included in the file. Adding "necessary and proportional" use of force is the major change and that change is critical. Mr. Royal said the city

faced over \$32 million in lawsuits, most of them due to excessive use of force. The hope is the modified language will set parameters as to when the use of force is not acceptable and other officers have a duty to step in and intervene. He is trying to set up a virtual meeting on January 10th with New Jersey with various individuals about the New Jersey language. He was anticipating this would be an informational meeting and a chance to ask questions and have them answered. Mr. Baack said the full Policy Committee has vetted this language, as presented, and does fully support it. Naomi Gehling, Executive Director of the FPC, is able to check schedules of the FPC Executive Director and board members.

Mr. Baack moved to approve the language, seconded by Mr. Smith. There were no objections. The language will be forwarded to the FPC for its review.

5. Discussion on the date/time of the zoom meeting with New Jersey and its use of force language.

This was discussed under item #4. Mr. Royal will report back to the CCC on how this meeting went.

6. Set next meeting date and time.

The next meeting is Jan. 13th at 1 p.m.

Meeting adjourned: 1:35 P.M.
