*-Chairman Jansen asked if there were any questions. There were none. Jansen stated that there were groups who were interested in the survey contacting the CCC. Jansen will advise the CCC that those groups interested in conducting the survey should wait for the formal RFP and BID process to be set up. Jansen reached out to the City Procurement Office and was given information on drafting an RFP. The draft of the RFP is in the process of being completed. The Committee and the City are committed to working together for the RFP to be completed in accordance with expectations and requirements.
