1. Introductions

*Seth Flanders, Linda Frank, Julie Kerkicks, Supreme Moore-Omokunde, Deneine
Powell, Erick Schamberger, Sarah Walwema,*

Meeting convened at 11:05 by Chair Kerkicks

Introductions

*Erick introduced Sarah Walwema, part of the GRAEF team working on our final report.
Sarah hopes to participate in future Accountability Work Group meetings.*

2. Report out on meeting with Common Council President Perez

*Kerkicks and Moore-Omokunde reported out on positive June meeting with President
Perez. He is supportive of the Task Force efforts, and agreed it is important to appoint
a new co-chair to replace former Ald. Kovac, who resigned to become City Budget
Director. We went through an update from the ECO office. Because the Council is
without its full complement of alderpersons, he needs to wait to appoint the new*

co-chair. We will check back over the summer.

3. Updates from Environmental Collaboration Office

Erick provided updates to the Work Group. See attached update document (already posted to city site). Making progress on hiring new staff.

4. Prepare for meeting with Supervisor Coggs-Jones

Supervisor Coggs-Jones is now co-chair representing the County and welcomes the opportunity to learn more about where things are with the Task Force proposals. Meeting is scheduled for next week. Most of our efforts have been at city level to date. It is now top priority to get the Ten Big Ideas in front of one or more County committees. Flanders (citizen volunteer on Wauwatosa's Sustainability efforts) suggested that we also reach out to individual municipalities to gauge interest and support. We should build off City's investments with suburbs/municipalities outside Milwaukee. Believes that some of them would welcome the chance to learn more about what others are doing (apart from City of Milwaukee).

Meeting adjourned at 12:20 p.m.

Minutes provided by Chair Kerksick.
