THE CHAIR

A charter ordinance relating to survivorship benefits under the employees' retirement system.

36-05-8-b-12 am

This charter ordinance amends the global pension settlement to provide that the increased survivorship benefits to \$300/\$600 per month, effective with the installment next following January 1, 2000, will apply to all beneficiaries who began receiving survivorship benefits before January 1, 2000, or who are eligible to receive a survivorship benefit in the future due to a death occurring prior to January 1, 2000, and who participate in the combined fund.

Part 21 of Common Council File No. 991585 implemented the agreement by amending s. 36-05-8-b-

12 of the charter to provide the increased benefit to widows or widowers and children under 18, but failed to take into account beneficiaries of the survivorship fund include children over 18 who were disabled prior to age 18 and dependent parents. This charter ordinance amends that charter provision to conform to the agreement of the parties.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 36-05-8-b-12 of the charter is amended to read:
