(DPW)

- ANALYSIS - This resolution allocates \$40,000 from the Riverfront and Other Downtown Planning and Improvements Fund (Project #PR01880000). Whereas, One important ingredient in the Historic Third Ward's ongoing success is its unique streetscaping including its distinctive street lights; and

Whereas, Milwaukee Magazine is relocating to a newly renovated building located on the south side of East Chicago Street between North Milwaukee and North Jefferson Streets; and

Whereas, The recently constructed Third Ward parking structure is located directly across East Chicago Street from the magazine's new offices; and

Whereas, Third Ward style street lights have been installed adjacent to the parking structure; and

Whereas, It would be desirable to complete the street lighting on this block by installing Third Ward street lights adjacent to the new Milwaukee Magazine building; and

Resolved, By the Common Council of the City of Milwaukee that the proper City officials are hereby authorized and directed to allocate \$40,000 from the Riverfront and Other Downtown Planning and Improvements Fund (PR01880000) for the purpose of acquiring and installing Historic Third Ward style street lights on the south side of East Chicago Street between North Jefferson and North Milwaukee Streets; and, be it

Further Resolved, That the City Comptroller, in cooperation with the Commissioners of the Department of City Development and the Department of Public Works, is hereby authorized and directed to establish any and all project/segment/phase numbers in accordance with City guidelines as are necessary to maintain the fiscal control to carry out the intent and purpose of this resolution.
