THE CHAIR

Resolution relative to application, acceptance and funding of a disaster assistance program relating to the July 2, 2000 storm in the City of Milwaukee. (DPW)

This resolution authorizes the Department of Public Works to apply for, and accept \$36,542.50 in Federal Emergency Management Agency grant funds and \$5,856.25 in Wisconsin Division of Emergency Management grant funds for a disaster assistance program relating to the July 2, 2000 storm in the City of Milwaukee. It also authorizes the Department of Public Works to administer this disaster assistance program. The resolution further directs the City Comptroller to create the necessary accounts, perform the necessary fund transfers and take other actions relating to the funding of the disaster assistance program. In addition, this resolution authorizes the proper City officials to expend the grant funds on various projects relating to the July 2, 2000 storm and to enter into subcontracts for such projects.

Whereas, Under the terms of Section 403 of Public Law 93-288, the City of Milwaukee appears to be eligible for grant funds from the Federal Emergency Management Agency (FEMA) and the Wisconsin Division of Emergency Management for disaster assistance relating to the July 2, 2000 storm in the City of Milwaukee; and

Whereas, An additional 12.5% of the non-administrative cost of the project or \$5,856.25 would be provided by the State of Wisconsin through its Division of Emergency Management; and

Whereas, The remaining 12.5% of the non-administrative project cost, or \$5,856.25 would be the responsibility of the City of Milwaukee; and

Whereas, The breakdown of funding and funding sources is as follows:

FEMA		\$35,137.50
State of Wisconsin	\$ 5,856.25	
Local Share	\$ 5,856.25	
Total Non-Admin.	\$46,850.00	
FEMA - Admin.	\$ 1,405.00	
Total		\$48,255.00

;and

Whereas, The Department of Public Works has determined that the benefits to the City from this grant-funded project appear to exceed the City's share of obligations to be incurred under the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that application to the Federal Emergency Management Agency is authorized and the Department of Public Works shall accept this grant without further approval unless the terms of the grant change as indicated in Common Council File 940843; and, be it
