- ANALYSIS - This resolution authorizes the Commissioner of Public Works to issue a permit to Mortenson Construction allowing occupancy of East Michigan Street between North Jefferson and North Jackson Streets. The contractor would occupy the street between August 2 and August 5 for the purpose of disassembling the construction crane used in the building project.

Whereas, This building is located on the southwest corner of North Jackson and East Michigan Streets; and

Whereas, Johnson Controls has hired Mortenson Construction to build its new technology center; and

Whereas, Mortenson has requested a permit to occupy East Michigan Street between North Jackson and North Jefferson Streets on a full time basis beginning at 6:00 a.m. on August 2 and ending at 6:00 a.m. on August 5; and

Whereas, Occupancy of the street is necessary in order to protect public safety while the tower crane used during construction of the new building is dismantled; and

Whereas, The contractor has cooperated with the Department of Public Works to establish a work schedule that will minimize the public's inconvenience resulting from the street closure; and

Whereas, The Commissioner of Public Works is authorized to issue permits for temporary occupancy of up to one-third of public rights-of-way while temporary use beyond that must be approved by the Common Council; now, therefore, be it

Resolved, That the Commissioner of Public Works is hereby authorized to issue a permit to Mortenson Construction allowing the contractor to occupy East Michigan Street between North Jefferson and North Jackson Streets during the period beginning 6:00 a.m. August 2 and ending 6:00 a.m. August 5, 1999.
