THE CHAIR

Substitute resolution granting a special privilege to The United Church for a fence and timber wall abutting the property at 2906-12 West Scott Street encroaching into South 29th and West Scott Streets in the 16th Aldermanic District in the City of Milwaukee

Substitute resolution granting a special privilege to The United Church for a fence and timber wall abutting the property at 2906-12 West Scott Street encroaching into South 29th and West Scott Streets in the 16th Aldermanic District in the City of Milwaukee

Whereas, The United Church has a daycare center occupying a portion of their building located at 2906-12 West Scott Street; and

Whereas, They had been using a portion of a neighboring property for a play area; and

Whereas, That property became no longer available; and

Whereas, They determined that, if a play area could be established by placing a fence in the public right-of-way of South 29th Street, the requirements of size could be met and by stacking timbers along the sidewalk, a level playing surface could be obtained; and

Whereas, This cannot occur without adoption of a special privilege resolution by the Common Council; and

Whereas, It has recently been determined that they submitted a Petition for a special privilege; however, the file was assigned to the Public Improvements Committee but somehow never got referred to the Department of Public Works in the traditional procedure but now has; and

Whereas, A recent field viewing revealed that a chain link fence and timbers are in place; now, therefore, be it

Resolved, That The United Church, 2906-12 West Scott Street, Milwaukee, 53215, is hereby granted the following special privileges:

The encroachment is approximately 4.2 feet. The posts are located upon and among 2 to 3, stacked 5 ½-inch high timbers. The gate is able to swing inward.
2. To keep and maintain 2-3 stacked, 5 ½-inch high timbers along the sidewalk of South 29th and West Scott Streets extending south from the south end of the fence, above, for approximately 8 feet and then diagonally southwesterly and then westerly for approximately 14.8 feet with an encroachment of 4.3 feet on South 29th Street and 4.3 feet on West Scott Street.

Said fence and timbers shall be constructed, used and maintained to the approval of the Departments of Public Works and Neighborhood Services/ City Development. All applicable permits shall have been obtained by the grantee. Said items shall be removed from the public right-of-way at such future time that they are no longer needed, to the satisfaction of the Commissioners of Public Works and Neighborhood Services
