A substitute ordinance relating to the temporary taxicab fare surcharge.
100-52-3-d rc

The current temporary \$1 surcharge which may be charged on taxicab rides to offset the increased fuel costs paid by taxicab owners and operators expires on October 27, 2005. This ordinance extends the temporary fare surcharge by an additional 60 days.

Whereas, According to the American Automobile Association, the price of regular gasoline in the Milwaukee area increased from \$1.93 a year ago to \$3.09 currently; and

Whereas, This increase has particularly hurt the taxicab drivers who pay for their own fuel; and

Whereas, These increased fuel costs have put a severe financial strain on the taxicab owners and operators whose meter fare rates are set by the city; and

Whereas, Most of these taxicab owners and operators support families while incurring increased costs; now, therefore

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 100-52-3-d of the code is repealed and recreated to read:

100-52. Rates Established.

3. METER FARE TAXICAB.

d. From July 1, 2005, up through and including 60 days from October 27, 2005, December 27, 2005, a surcharge not exceeding \$1 may be charged, for one or more persons, per ride pursuant to rates charged under pars. a and c. A ride shall be defined as a passenger or group of passengers who begin travel at one point and finish travel at another point; multiple stops shall be counted as one ride as long as the meter is not reset. A notice of this surcharge shall be posted in the passenger compartment in a conspicuous place visible to all occupants of the vehicle.
