Resolution authorizing the Commissioner of Public Works to execute a Cost Sharing Agreement with the City of Wauwatosa for the planned improvement of North 92nd Street from West Capitol Drive to West Hampton Avenue.

This resolution authorizes the Commissioner of Public Works to execute a Cost Sharing Agreement with the City of Wauwatosa for the local share of engineering and construction costs associated with the rehabilitation of North 92nd Street from West Capitol Drive to West Hampton Avenue. The City of Milwaukee has entered into an agreement with the Wisconsin Department of Transportation for rehabilitation of the subject roadway with the Wisconsin Department of Transportation funding 80 percent of the project costs. The City of Wauwatosa requested, and we have agreed, to incorporate the segments of the roadway that lie within their municipal boundaries into our construction project. This resolution also authorizes the City Comptroller to transfer additional funds to previously established subaccount for the City of Wauwatosa’s preliminary engineering costs. The total cost of the project remains the same.

Whereas, Common Council Resolution File Numbers 111507 and 141389 directed the Commissioner of Public Works to execute a project agreement with the Wisconsin Department of Transportation, for the programming and rehabilitation of North 92nd Street from West Capitol Drive to West Hampton Avenue (see attached); and

Whereas, Approximately 47 percent of the project’s work lies within the municipal boundaries of the City of Wauwatosa; and

Whereas, The City of Wauwatosa has requested, and the City of Milwaukee has agreed, to incorporate the

segments of the roadway that lie within the City of Wauwatosa into the improvement project; and

Whereas, The City of Milwaukee has requested and was awarded Federal Surface Transportation Program entitlement funds to cover 80 percent of the project costs; and

Whereas, The City of Milwaukee has prepared a Cost Sharing Agreement to address the cost breakdown between the City of Milwaukee and the City of Wauwatosa for the remaining 20 percent of the costs of the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of Public Works is hereby authorized to execute a Cost Sharing Agreement with the City of Wauwatosa for the estimated engineering and construction costs associated with the locally funded portion of the improvement of North 92nd Street from West Capitol Drive to West Hampton Avenue, a copy of which is attached to Common Council File Number 141486, and is incorporated by reference as though set forth in full; and, be it

Further Resolved, That the City Comptroller is hereby authorized to transfer additional funds to a previously established subaccount within the Capital Projects Fund, Grant and Aid Projects, for the City of Wauwatosa's share of the preliminary engineering for the project (Expenditure) as follows:

; and, be it
