SUBSTITUTE 1

ALD. BAUMAN

A substitute ordinance relating to the zoning classification of indoor storage in the mixed activity (C9G) downtown zoning district.

- 295-703-2-u rn

This ordinance changes the use classification for an indoor storage facility in the mixed activity (C9G) downtown zoning district from permitted use to limited use, with the limited use standards being that the structure to be occupied by the indoor storage facility must have been constructed prior to the effective date of this ordinance and that the indoor storage facility is not located on the first floor of an existing structure. If these standards are not met, the use shall be prohibited. The ordinance also removes “warehousing” from the list of intended uses for the mixed activity district, as specified in the purpose statement for the district.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 295-701-7 of the code is amended to read:

295-701. Purposes.

7. MIXED ACTIVITY (C9G). The mixed activity district is designed and intended to permit a wide range of retail, service, light manufacturing ~~[[, warehousing]]~~ and residential uses. Because of their operational characteristics, many of the uses allowed in the mixed activity district should be relegated to the peripheral portions of the downtown district.

Part 2. Table 295-703-1 of the code is amended to read:
