Resolution authorizing a License Agreement between CMC Heartland Partners ("CMC") and the City of Milwaukee ("City") in connection with the development, operation and maintenance of a bicycle and pedestrian trail for use by the public through and upon certain property owned by CMC in the City. (DCD)

- Analysis -

This resolution authorizes the preparation and execution of a License Agreement by the proper City officials for the development of a bicycle and pedestrian trail in the Menomonee Valley. This resolution also authorizes the Commissioner of the Department of City Development, with the assistance of the City Attorney's Office, to draft a License Agreement in accord with the terms listed herein. Whereas, CMC owns property along the Menomonee River in the Menomonee Valley; and

Whereas, CMC has generously agreed in principle to grant the City an indefinite license to establish a bicycle and pedestrian trail generally along the south bank of the river from a point east of South 27th Street to Miller Park; and

Whereas, The City seeks to offer its citizens recreational opportunities and access to public waterways; and

Whereas, The License Agreement will not require compensation from the City to CMC; and

Whereas, The License Agreement will provide for indefinite use by the City, subject to termination if the City abandons the trail; and

Whereas, The trail may be used by bicyclists and pedestrians and not by motorized vehicles; and

Whereas, The Common Council of the City of Milwaukee desires to enter into a License Agreement with CMC for the development, operation and maintenance of said bicycle and pedestrian trail in the Menomonee Valley; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of the Department of City Development, as the City Real Estate Agent, is authorized and directed, with the assistance of the City Attorney's Office, to prepare a License Agreement in accord with the conditions stated above for the development, operation and maintenance of said bicycle and pedestrian trail; and, be it

Further Resolved, That the proper City officials are authorized and directed to execute said License Agreement in accord with these general provisions; and, be it

Further Resolved, That all City officials, commissions, boards and departments are authorized and directed to provide such assistance as is

necessary to further the intent and purpose of this resolution.
