THE CHAIR

Substitute resolution relating to a Cooperation Agreement between the City of Milwaukee and the Redevelopment Authority of the City of Milwaukee for the receipt and furnishing of services, materials and equipment by and between the City and the Redevelopment Authority.

This resolution approves an Agreement between the City of Milwaukee and the Redevelopment Authority of the City of Milwaukee for the furnishing of services, materials and equipment by and between the City, through its various departments, and the Redevelopment Authority, with reimbursement for such services, materials and equipment in accordance with the terms and conditions of said Agreement. It further authorizes and directs the proper City officials to enter into and properly execute this agreement.

Whereas, The City of Milwaukee ("City") has historically entered into annual Cooperation Agreements ("Agreements") with the Redevelopment Authority of the City of Milwaukee ("Redevelopment Authority") for the furnishing of services, materials and equipment to the Authority by the City through its various departments; and

Whereas, With respect to the Redevelopment Authority, consistent with Wisconsin's Urban Redevelopment Law, the Common Council of the City of Milwaukee and the Redevelopment Authority have a mutual interest in carrying out blight elimination and urban renewal programs and projects to prevent the recurrence of blight through the clearance, replanning, rehabilitation and reconstruction of substandard and unsanitary areas; and

Whereas, The purposes and goals of the Redevelopment Authority are shared by the City and the furnishing of services, materials and equipment, upon request and as needed, by and between the Redevelopment Authority and the City is determined to be in furtherance of their mutual and best interests; and

Whereas, It is recommended that the new Agreement between the Redevelopment Authority and the City, a copy of which is attached to this Common Council File, be entered into to continue such mutually beneficial relationship for an indeterminate period of years terminable by either party upon written notice; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the attached Agreement between the City of Milwaukee and the Redevelopment Authority of the City of Milwaukee for the furnishing of services, materials and equipment by and between the City, through its various departments, and the Redevelopment Authority for an indefinite term commencing January 1, 2000, with reimbursement for such services, materials and equipment in accordance with the terms and conditions of said Agreement, is approved; and, be it

Further Resolved, That the proper City officials are authorized and directed to enter into and properly execute this Agreement.
