THE CHAIR

Substitute resolution authorizing carryover of certain fund balances from 2018 to 2019 in accordance with Section 65.07(1)(p), Wisconsin Statutes.

The Common Council annually authorizes the carryover of certain available fund balances to permit achieving or completing previously authorized and funded purposes, programs, projects, or equipment purchases. This resolution authorizes the City Comptroller to carry over the accounts enumerated in Exhibit A, which is attached to this file.

Whereas, It has been the practice of the Mayor and the Common Council of the City of Milwaukee to maintain as low a tax rate as is possible, consistent with the standard of services requested by the

citizens of Milwaukee; and

Whereas, The authorization to carry over certain available fund balances to permit achieving or completing a previously authorized and funded purpose, program, project, or equipment purchase is in the best interests of the city and assists in reducing the amounts that must be levied on taxable property in the City of Milwaukee; and

Whereas, The Budget and Management Division and the Finance and Personnel Committee have reviewed the 2018-2019 carryover requests and recommends in this resolution those carryovers which appear to be in compliance with Section 65.07(1)(p), Wisconsin State Statutes, Capital Guidelines, Grant and Aid Guidelines, Community Development Agency Guidelines, and other prudent criteria; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that it hereby authorizes and directs the City Comptroller to carry over the accounts enumerated in Exhibit A (attached to this file) in the amounts set forth in the recommended column; and, be it

Further Resolved, That the City Comptroller is hereby authorized and directed to close out each Capital Purpose Account in accordance with the requirements of Common Council Resolution File Number 031033, et.al., Section V; and, be it

Further Resolved, That the departments affected by this resolution are hereby authorized to expend the carried over funds in accordance with the intent of the original appropriations; and, be it

Further Resolved, That each amount indicated for carryover for Special Ledger accounts is the maximum balance that can be carried over to 2019. Any balance over those amounts indicated are to revert to the Tax Stabilization Fund, in accordance with Section 304-29-3, Milwaukee Code of Ordinances; and, be it

Further Resolved, That Notwithstanding the above authorizations, that if the Comptroller, at the time of transferring this money to the succeeding year's appropriations, determines that any of the above authorized funds exceeds the three year carryover authorization, the Comptroller is hereby directed to close the funds in excess of the three year authorization to the appropriate close out account.
