SUBSTITUTE 1  
THE CHAIR

Substitute resolution determining it necessary to make various nonassessable public improvements at various locations.

This resolution authorizes engineering studies on projects which by City Charter are nonassessable. After design plans and estimates of costs have been prepared, a resolution authorizing construction will be submitted to the Common Council.

Whereas, The Wisconsin Department of Transportation is reconstructing the Marquette interchange under the State Highway Improvement Program; and

Whereas, The Interchange reconstruction project provides cost participation for the water main improvements in the 4th Aldermanic Districts; and

Whereas, A maximum of ten percent of the participating project cost is non-reimbursable and is included in the Milwaukee Water Works Divisions 2005 Capital Purpose Account, Project/Grant Numbers; and

Whereas, A minimum of ninety percent of the participating project cost is reimbursable from the

Wisconsin Department of Transportation, and should be earmarked for this project in the 2005 Capital Grant and Aid Projects Account; now, therefore, be it
