SUBSTITUTE 1
THE CHAIR

Substitute resolution authorizing and directing the City Engineer and the Commissioner of Public Works to enter into a contract with a consulting engineering firm to test materials for sewer, water, paving and other construction and maintenance contracts as applicable.

This resolution authorizes and directs the City Engineer and the Commissioner of Public Works to enter into a contract with a consulting engineering firm to test materials for sewer, water, paving and other construction and maintenance contracts as applicable.

Whereas, It is necessary for the City of Milwaukee to engage a consulting firm to test materials for City construction projects; and

Whereas, The cost for testing is included in each construction project and the total is estimated to be \$120,000; and

Whereas, This material testing helps ensure compliance with material quality provisions of City construction contracts; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works and the

City Engineer are hereby authorized to enter into a contract with a qualified consulting engineering firm to test materials for sewer, water, paving and other construction and maintenance contracts with costs to be charged to the applicable contracts.
