A substitute ordinance establishing the Harbor District Riverwalk Site Plan Review Overlay Zone for certain properties adjacent to the Kinnickinnic River, in the 12th and 14th Aldermanic Districts.

This substitute ordinance creates a zoning overlay for properties within 50 feet of the Kinnickinnic River as measured from the ordinary high-water mark or bulkhead line. The overlay is generally located along the west side of the Kinnickinnic River extending from the confluence of the Milwaukee and Kinnickinnic Rivers south to Lincoln Avenue and along the eastern side of the Kinnickinnic River south of the South Channel of the Bay View Grand Trunk Wetland south to Lincoln Avenue. Properties within this overlay will comply with additional design standards that support and complement the construction of a future Riverwalk system in the Harbor District.
