SUBSTITUTE 1

ALD. COGGS AND DAVIS

Substitute resolution supporting state legislation relating to distance requirements between certain alcohol beverage licensed establishments and child daycare centers.

This resolution expresses support for state legislation to distance establishments granted certain alcohol beverage licenses from child daycare centers.

Whereas, Section 90-14, Milwaukee Code of Ordinances prohibits the granting of Class "A" and

Class "B" licenses to establishments selling intoxicating liquor within 300 feet of any church, school or hospital, yet sets no similar 300-foot restriction on such establishments operating near child daycare centers; and

Whereas, These code provisions are based on a 1947 state law imposing the 300-foot requirement in all Wisconsin municipalities for purposes of uniformity; and

Whereas, The number of child daycare centers in Milwaukee has increased noticeably in recent years; and

Whereas, Section 295-311-2-h-2, Milwaukee Code of Ordinances enacted in 2007 partially addresses child daycare location in the vicinity of Class "A" and Class "B" establishments by prohibiting child daycare centers not located in schools, libraries or religious, community or cultural centers from locating within 300 feet of Class "A" or Class "B" establishments; and

Whereas, Locating an establishment licensed to sell intoxicating liquor within 300 feet of a child daycare center will regularly and frequently expose the children of such child daycare center to behavior, language and activities commonly associated with the purchase and consumption of intoxicating liquor; and

Whereas, The behavior, language and activities commonly associated with the purchase and consumption of intoxicating liquor is widely believed to be detrimental to the physical, mental, emotional and moral development of children; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Department of Intergovernmental Relations Division is directed to lobby for passage of state legislation to distance establishments granted certain alcohol beverage licenses from child daycare centers.
