SUBSTITUTE 1

THE CHAIR

Substitute resolution approving the Memorandum of Understanding between the City of Milwaukee Negotiating Team and Milwaukee District Council 48, AFSCME, AFL-CIO, relative to compensation for certain employees in the Business Section of the Water Works.

- Analysis -

The purpose of this resolution is to confer Common Council approval on a Memorandum of Understanding between the City of Milwaukee Negotiating Team and Milwaukee District Council 48, AFSCME, AFL-CIO, relative to granting Water Works the discretion to pay cash overtime, on a non-precedential basis to employees in the Business Section of the Water Works.

Whereas, The agreement to allow Water Works discretion to pay cash overtime to employees involved in the AMR (Automatic Meter Reading) Project has been reduced to writing in a City/District Council 48 Memorandum of Understanding, establishing a retroactive commencement date of March 27, 1999, subject to Common Council approval, and ending May 1, 1999, unless the parties agree, in writing, to extend their agreement on the use of AMR-related overtime; and

Whereas, The Memorandum of Understanding embodying the agreement reached by the parties to such negotiations, copies of which are attached to Common Council File Number 981048 and incorporated herein as though fully set forth at length, is subject to ratification by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Memorandum of Understanding between the City Negotiating Team and Milwaukee District Council 48, AFSCME, AFL-CIO, be approved; and, be it

Further Resolved, That the proper City officials are hereby authorized and directed to take the necessary action or to make the necessary recommendations to the Common Council or the appropriate committees or boards to implement the terms of this agreement; and, be it

Further Resolved, That such sums as necessary for the implementation of the aforementioned Memorandum of Understanding in accordance with its terms and conditions be obtained for and charged to the appropriate department budget accounts in accordance with the customary reporting and accounting requirements.
