ORIGINAL
THE CHAIR

Resolution authorizing the Commissioner of Public Works to execute a Revised Project Agreement between the City of Milwaukee and Wisconsin Department of Transportation associated with the West Vliet Street intersection with North 40th Street project in the City of Milwaukee under the Hazard Elimination Safety Program, and to transfer funds for the additional preliminary engineering costs associated with the revised agreement of \$45,310.00, with a City share of \$4,531.00 and a grantor's share of \$40,779.00.

This resolution authorizes the Commissioner of Public Works to execute a Revised Project Agreement with the WISDOT associated with the West Vliet Street intersection with North 40th Street project. The Revised Project Agreement provides for 90 percent Federal/State aid and 10 percent local cost sharing for all items in the project and reflects a total estimated cost of \$305,000.00 of which \$30,500.00 is the City of Milwaukee's share and \$274,500 is the grantor share. The additional preliminary engineering costs are \$45,310.00, with a City share of \$4,531.00 and a grantor share of \$40,779.00.

Whereas, The Common Council of the City of Milwaukee adopted Resolution File Number 051254 authorizing and directing the Commissioner of Public Works to execute an agreement with the Wisconsin Department of Transportation (WISDOT) for safety improvements at the intersection of West Vliet Street and North 40th Street with 90 percent Federal and/or State aid funds under the Hazard Elimination Safety (HES) Program; and

Whereas, As part of the preliminary engineering process, we received requests from the WISDOT to include additional engineering analysis in the documentation for the intersection; and

Whereas, Costs for this additional work were not included in the original agreement with the WISDOT; and

Whereas, Construction costs have been refined and increased since the original agreement was drafted two years ago; and

Whereas, The WISDOT has submitted a Revised Project Agreement that includes additional monies for the preliminary engineering and construction associated with the necessary median reconfigurations for City execution; and

Whereas, Future resolutions will address the construction funding for this project, now therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works is hereby authorized to execute the Revised Project Agreement updating and revising the engineering and construction costs associated with the West Vliet Street intersection with North 40th Street project, a copy of which is attached to Common Council Number 071480 and incorporated in this resolution as though set forth therein in full; and, be it

Further Resolved, That the City Comptroller is hereby authorized to create within the Capital Improvement Fund, Grant and Aid Projects, the necessary Project/Grant Chartfield Values for preliminary engineering for the projects (Expenditure) and transfer to any of these accounts the amount required under the grant agreement and City Accounting Policy but not to exceed a 10 percent increase of the total amounts reserved for the grantor's share and local share or \$5,000 whichever is greater, as follows:
