CHAIR

Resolution releasing portions of the 2002 capital project appropriations held by prior Common Council Resolution. (Budget and Management)

This resolution authorizes the release from hold of portions of 2002 Capital Improvement Appropriations that were deferred by Common Council Resolution 011615 adopted on April 23, 2002.

Whereas, The Common Council deferred certain 2002 Capital Improvement Projects and Programs by Resolution 011615 adopted on April 23, 2002 in light of proposed reductions in state shared revenue payments; and

Whereas, The 2002 State Shared Revenue issue was favorably resolved by state legislative action which retained the City of Milwaukee’s 2002 shared revenue payments; and

Whereas, The remaining deferred project’s appropriation includes \$1,040,000 of the \$2,000,000 appropriation for Police District Station #2 Renovation (0318-3310-R999-PL120020200); and

Whereas, The release of \$250,000 of the \$1,040,000 deferred capital appropriation for Police District

#2 Renovation will provide for renovations such as window replacement, roof replacement, HVAC replacement, asbestos abatement, ADA entrance remodeling, and other necessary improvements; and

Whereas, Common Council Resolution 011615 required that the Finance and Personnel Committee and the Common Council act to reinstate funding of any deferred projects and programs to active status; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that \$250,000 of the deferred \$1,040,000 appropriation for the Police District Station #2 Renovation (0318-3310-R999-PL120020200) is also hereby reinstated; and, be it

Further Resolved, That the City Comptroller and other appropriate City officers are authorized and directed to take necessary actions to release these portions of said projects to active status.
