THE CHAIR

Resolution rejecting a reservation for public street purposes along a portion of the west side of South 6<sup>th</sup> Street south of West Grange Avenue, in the 13<sup>th</sup> Aldermanic District.

This resolution will eliminate from certain property an unnecessary reservation for public street purposes. Whereas, A 55-foot wide reservation for public street purposes was created by warranty deeds Document Number 3861673, recorded on February 10, 1961 and Document Number 3891240, recorded on July 14, 1961; and

Whereas, The east 33 feet of the subject reservation has been opened for South 6<sup>th</sup> Street leaving a 22-foot wide remainder; and

Whereas, The Federal Aviation Administration is directing General Mitchell International Airport to extend its east-west runway westerly to meet safety standards therefore requiring the relocation of South 6<sup>th</sup> Street from a point south of West Grange Avenue southerly to a point; and

Whereas, The vacation of a portion of South 6<sup>th</sup> Street will be done in conjunction with the relocation project; and

Whereas, The subject reservation is adjacent to the portion of South 6<sup>th</sup> Street that will be vacated and the City of Milwaukee no longer deems it necessary to retain the 22-foot wide reservation for public street purposes; now, therefore, be it

Resolved, That the Common Council of the City of Milwaukee hereby rejects the reservation for public street purposes, described as follows:

That part of Lands in the Northwest  $\frac{1}{4}$  of Section 32, Township 6 North, Range 22 East, described as follows: Commencing at the southeast corner of said  $\frac{1}{4}$  Section; thence Northerly, along the east line of said  $\frac{1}{4}$  Section, 860.15 feet to a point; thence South  $89^{\circ}59'30''$  West to a point in the present west line of South 6<sup>th</sup> Street, lying 33 feet west of, as measured normal to, said east line, said point also being the point of beginning of the land to be described; thence Northerly, along said west line and parallel to said east line, 144 feet to a point; thence South  $89^{\circ}59'30''$  West to a point lying 55 feet west of, as measured normal to, said east line; thence Southerly, parallel to said east line, 144 feet to a point; thence North  $89^{\circ}59'30''$  East to the point of beginning; and, be it

Further Resolved, That the City Engineer is hereby directed to have a certified copy of this resolution recorded in the office of the Register of Deeds of Milwaukee County.
