Substitute resolution amending residency and attendance requirements for membership in the Community Collaborative Commission.

This resolution revises the membership criteria for the Community Collaborative Commission by specifying that 3 unexcused absences over the course of one calendar year are grounds for removal from the Commission by a majority vote of the current membership. The resolution further removes the requirement that members from partner organizations be residents of the city of Milwaukee, while specifying that, notwithstanding this exemption, a majority of Commission members must be city residents and the chair of the Commission must also be a city resident.

Whereas, The Community Collaborative Commission was created by Common Council File Number 191106 on April 14, 2020, for the purpose of providing a forum for and to solicit community input regarding law enforcement policies, procedures and practices in Milwaukee, particularly with respect to the treatment of members of minority, LGBTQ, disabled and other historically underserved and underrepresented communities; and

Whereas, Common Council File Number 211254 revised the original membership of the Commission; and

Whereas, The Commission’s work relies on thoughtful, consistent participation by its membership;

and

Whereas, Membership in, or employment by, the organizations that are represented on the Commission is not limited to Milwaukee residents; and

Whereas, Limiting Commission membership to city residents adds an additional hurdle to participation for member organizations; and

Whereas, The City of Milwaukee values the voice of its residents on boards and commissions; and

Whereas, The Community Collaborative Commission is a creation of the Common Council with appointments by Common Council President and Mayor; and

Whereas, As part of the Commission's creation, local organizations were identified to represent local resident's interest concerning community oriented policing; and

Whereas, While encouraging participation by member organizations is important, it is essential that a majority of the Commission's members and the chair remain city residents; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that Common Council File Number 191106, as amended by Common Council File Number 211254, is further amended by replacing the second and all subsequent "Further Resolved" clauses with the following:

Further Resolved, That should the city resident composition of the Commission fall below a majority, for whatever reason, the Commission may not conduct any business until that majority has been re-established; and, be it
