THE CHAIR

Substitute resolution amending a special privilege granted to Jewish Community Funeral Home Services, Inc., to place a covered walk at the north side of West Burleigh Street within the public right-of-way at the 5820 building entrance, to now also allow placement of two concrete filled steel posts near the curb on either side of the covered walk, in the 7th Aldermanic District in the City of Milwaukee.

This resolution amends a special privilege granted to Jewish Community Funeral Home Services, Inc., to place and maintain a covered walk at the north side of West Burleigh Street, encroaching into the public right-of-way abutting the premises at 5820 West Burleigh Street, to now also allow placement of two concrete filled steel posts near the curb on either side of the covered walk.

Whereas, Jewish Community Funeral Home Services, Inc. (JCFHS), was granted a special privilege under Common Council Resolution File Number 941960, adopted on April 25, 1995, to erect and maintain a covered walk within the public right-of-way at the West Burleigh Street entrance to the building located at 5820 West Burleigh Street; and

Whereas, JCFHS now wishes to have two concrete filled steel posts on the sidewalk near the curb adjacent to the vertical supports in order to protect the vertical supports of the covered walk; and

Whereas, Said covered walk and steel posts may only legally occupy the public right-of-way by the granting of a special privilege resolution by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 941960 is hereby rescinded; and, be it

Further Resolved, By the Common Council of the City of Milwaukee that Jewish Community Funeral Home Services, Inc., 5820 West Burleigh Street, Milwaukee, WI 53210, is hereby granted the following special privileges:

Said covered walk, 11 feet 8 inches in width, is centered approximately 280 feet west of the westline of North 58th Street and encroaches approximately 10 feet 9 inches into the 13-foot wide fully concrete paved sidewalk area on the north side of West Burleigh Street at the 5820 West Burleigh Street address. The covered walk is supported by the building and by two vertical supports near each corner closest to the curb along each side of the covered walk. Each vertical support nearest the curb is centered approximately 2 feet 3 inches from the curbline. There is an approximately 11-foot 8-inch wide opening between the vertical supports, which parallel the curb face. The minimum vertical clearance between the skirt of the covered walk and the sidewalk below is 8 feet.

Said covered walk shall generally be constructed in accordance with the policies set forth in Common Council Resolution File Number 62-1211-a, adopted July 24, 1962. The covered walk frame shall be designed and supported to withstand snow and other loads of not less than 25 pounds per square foot and wind pressure of 20 pounds per square foot applied in any direction. No guy wires, brackets or diagonal braces shall be permitted lower than 8 feet above the sidewalk level. The covering shall be of approved material.

All fixtures and materials for illumination of covered walk shall be indicated upon the construction plans and approved prior to installation. The name, street number, or character of the business may be indicated only on the vertical portion of the covering and shall not exceed 8 inches in height.

The grantee will be required to keep a "Loading Zone" or have a "No Parking" status adjacent to the covered walk as long as the covered walk occupies the public right-of-way.

Said covered walk shall be installed, maintained and used to the approval of the Departments of Public Works and Neighborhood Services.

2. To keep and maintain two 4-inch diameter concrete filled steel bollards, approximately 4 feet high adjacent to the vertical supports. The bollards are fastened to the concrete sidewalk by use of endplates with four bolts. The steel bollards are located in front of and adjacent to the vertical supports of the covered walk.

Said steel bollards shall be placed and maintained to the approval of the Departments of Public Works and Neighborhood Services;

and, be it

Both bond and insurance policy shall provide that they shall not be canceled until after at least thirty days' notice in writing to the City Clerk.
3. Pay to the City Treasurer an annual fee which has an initial amount of \$85.00. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
