THE CHAIR

Resolution authorizing the naming of South Rite-Hite Way as a private road, located in the 12<sup>th</sup> Aldermanic District.

To support the development of downtown offices for the Rite-Hite Corporation, the property owner has requested that the City designate a portion of their property on both sides of the 400 block of West Freshwater Way as a private road. With South Rite-Hite Way designated as a private road, building addresses may be assigned to this, which also supports emergency response agencies.

Whereas, the Rite-Hite Corporation are building office buildings and a parking structure along the 400 block of West Freshwater Way and desire a private road to access this development; and

Whereas, By the City formally designating South Rite-Hite Way, building addresses can be assigned to support mail delivery and emergency service responses; and

Whereas, Section 113-1 of the Milwaukee Code of Ordinances provides for naming private roads and the developer has provided a legal description of the limits of the private road; and

Whereas, As a condition of adopting this resolution, the developer is responsible for placing brown street name signs in accord with s. 113-1 at the developer's cost, as well as placing and maintaining traffic control devices as necessary to control vehicular traffic leaving the site; now, therefore, be it
