(Y) Required to file a statement of economic interests in accordance with the Milwaukee Code of Ordinances Chapter 303-Code of Ethics.

Section 2. Nothing herein contained shall be construed to prevent the making of appointment for temporary service, in any of the above listed positions, to vacancies caused by leave of absence for any purpose, provided that such appointments shall not be made in conflict with the provisions of Section 18.10(6)(c)3. of the Milwaukee City Charter and a certain resolution adopted by the Common Council under File Number 58267, relating to the filling of vacancies, and Section 350.35 of the Milwaukee Code of Ordinances restricting leaves of absence for City employees.

Section 3. In the event that such appointment is made under the City Service Commission rule of "underfills", the Department must identify and document the conditions and requirements necessary for promotion to the authorized level per City Service Rule IV Section 6.

Section 4. During the year 2007 and to meet emergency situations arising from staffing shortages and from the necessity of maintaining essential city services, heads of city departments employing laborers are authorized to assign any of such laborers temporarily to the work of custodial or skilled labor positions compensated at the same or at a lower rate of pay and to place such laborers on the payroll of the proper division or sub-division thereof without change in title and without reduction in compensation. Such assignments shall only be made in cases of inability to secure eligibles and only with the consent of the City Service Commission.

Section 5. It is hereby declared to be the intention of the Common Council that upon voluntary separation of an officer or employee from the City service, accrued vacation or other authorized and earned time credits may be recognized by continuing such officer or employee on the regular departmental payroll to cover such credits earned and due. Alternatively, the employee may choose for such benefits to be paid in a "lump sum" payment at the time of separation.

Section 6. It is hereby declared to be the intent of the Common Council

- A. That the Budget and Management Director may authorize such temporary positions as may be necessary to alleviate the effects of emergency situations determined by him/her to be detrimental to effective and efficient city operations.
- A. That the Budget and Management Director shall report all actions relative to authorizations of such temporary positions to the Finance and Personnel Committee of the Common Council.

- A. That temporary position authority granted by the Budget and Management Director shall not exceed forty-five (45) consecutive calendar days for such emergency.
