This ordinance provides for city health insurance and funeral leave benefits for the "qualified domestic partners" of city employes. A qualified domestic partner is an individual who, together with a city employe, files an affidavit of domestic partnership with the department of employe relations. The affidavit states that the individuals are sole domestic partners, responsible for each other's common welfare, are unmarried, are at least 18 years old, reside together and jointly own such items as a motor vehicle, credit or checking account or residential lease. A new affidavit of domestic partnership cannot be filed until 12 months after filing an affidavit with a different partner.

The ordinance specifically requires all contracts for health care and insurance for city employes to provide the same benefits for "qualified domestic partners" as are provided for the spouses of city employes. The ordinance provides funeral leave for employes on the death of their qualified domestic partner on the same terms as funeral leave on the death of a spouse. When funeral leave is provided for parents-in-law or children-in-law, the ordinance provides the same leave for the death of a parent or child of a qualified domestic partner.

The ordinance requires any person who knowingly submits false information in connection with a domestic partner affidavit to repay the city any expenses incurred because of the falsehood. A city employee who knowingly submits false information may be subject to city and departmental disciplinary action.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 350-30-5.5 of the code is created to read:

350-30. Hospital and Surgical Care Insurance.

5.5. QUALIFIED DOMESTIC PARTNERS. a. All contracts for the purchase of hospital and surgical care for employees and officers of the city shall provide the same benefits and coverage for the qualified domestic partners of city officers and employees as are available to the spouses of city officers and employees. "Qualified domestic partners" means individuals who have filed an affidavit of domestic partnership under s. 350-251.

Part 2. Section 350-35-5-a of the code is amended to read:

350-35. Leave of Absence Policies.

5. FUNERAL LEAVE. a. Immediate Family. Except for those positions listed in par. c, funeral leave shall cover necessary absence from duty of general city employees because of death in the immediate family of the employee >>or the death of the employee's qualified domestic partner<<. "Immediate family" is defined as husband or wife, child, stepchild, brother, sister, parent, stepparents, mother-in-law, father-in-law, brother-in-law, sister-in-law, or grand-child of the employee. For management and nonmanagement, nonrepresented employees, "immediate family" also includes stepparents and stepchildren by virtue of the employee's current spouse. >>A "qualified domestic partner" is an individual who has filed an affidavit of domestic partnership under s. 350-251.<< Furthermore, eligibility to use stepparent funeral leave benefits shall be limited to one stepmother and one stepfather regardless of the number of stepparents. In the case of a death in the immediate family >>or the death of a qualified domestic partner<<, an employee may be granted a leave of absence not to exceed 3 work days with pay. These work days shall be limited to work days falling within the 10 consecutive calendar day period that begins on the day of death. One day with pay may be used to attend the funeral of grandparents of the employee. The provisions of this subsection do not govern fire and police department positions, employees holding positions represented by a certified bargaining unit, except those positions included in s. 350-237.

Part 3. Section 350-35-5-c-2-a of the code is amended to read:
