THE CHAIR

Resolution determining it necessary to make various nonassessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be \$50,000 for a total estimated cost of these projects being \$1,350,000.

This resolution authorizes engineering studies on projects which by City Charter are nonassessable. After design plans and estimates of costs have been prepared, a resolution authorizing construction will be submitted to the Common Council. The City cost for engineering these projects is estimated to be \$50,000 with the total cost estimated to be \$1,350,000.

Resolved, By the Common Council of the City of Milwaukee, that it is necessary and in the public interest to do the following described improvements according to City specifications:

2nd Aldermanic District

W. Capitol Dr. (Southside) - N. 60th St. to N. 76th St. (WT410230619) File Number 211861: Relaying water main. (Nonassessable Water Fund Budget Line 5010 -- \$0. Nonassessable Water Fund Budget Line 6410 -- \$50,000 additional funding). The total estimated cost of this project including the requested amount is \$1,350,000. This project is anticipated to be completed during the 2024 construction season.

;and, be it

Further Resolved, That all City Departments are authorized to perform engineering, surveys, plan preparation, and determine an estimated cost thereof; and, be it

Further Resolved, That the Department of Public Works is authorized to use the funding as specified in the above description of work; and, be it

Further Resolved, That the City Comptroller is authorized to transfer such funds which are available for this purpose to the appropriate capital Project/Grant accounts.
