- Analysis -

This ordinance makes changes to city regulations governing the installation and alteration of elevators as follows:

1. Adopts, by reference, the Wisconsin Administrative Code's rules for which elevator-related projects require permits. 2. Permits the charging of quadruple fees to anyone applying for an installation or alteration permit who initially began an elevator installation or alteration project without applying for a permit.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 200-33-13-e of the code is amended to read:

200-33. Fees.

13. ELEVATORS.

e. Repair Permit Fees. The fees for >>installation or alteration<< permits required by [[this subsection]] >>s. Comm 18.09, Wis. Adm. Code,<< shall be charged at the rate of 1.5 % of the total cost of repair, with a minimum fee of \$50.

Part 2. Section 222-52-1 and 4 of the code is amended to read:

222-52. Construction Permits.

1. PERMITS REQUIRED. Except as regulated in subs. 1 to 3 no person shall install, alter, repair or replace any elevator or other device regulated in [[this chapter]] >>s. Comm 18.09 (1) and (3) Wis. Adm. Code,<< without first obtaining a permit therefor and paying the fees as prescribed in s. 200-33.

4. WORK WITHOUT PERMIT. Where any work is begun on the installation, alteration, repair or replacement of any elevator or other device regulated in [[this chapter]] >>s. Comm 18.09, Wis. Adm. Code,<< without obtaining a permit as regulated in sub. 1, the commissioner shall have the power and authority to stop such work until a permit has been procured and [[double]] >>quadruple<< fees paid as regulated in s. 200-32-3.
