The Chair

Resolution approving the Regional Hazardous Materials Response System Services contract between the Wisconsin Department of Military Affairs-Division of Emergency Management and the City of Milwaukee for 2017-2019.

This resolution authorizes the Fire Department the extension of the previous contract with the Wisconsin Department of Military Affairs-Division of Emergency Management that operated from July 1, 2015 to June 30, 2017, for a 24-month period from July 1, 2017 to June 30, 2019. The agreement allows the Milwaukee Fire Department to provide Regional Hazardous Response System Services within an area identified geographically by the agreement. The department has been providing these services since the adoption of Common Council Resolution File Number 941618, and as extended by subsequent Common Council Files since that date. Under the terms of the amended contract, the City will be eligible for stand-by costs of up to \$250,211.77 annually.

Whereas, 1991 Wisconsin Act 104 authorized the State Emergency Response Board (SERB) to contract with no fewer than 7 public entities with Regional Emergency Response Teams to assist in emergency responses to Level A releases in a region of the state designated by the SERB; and

Whereas, Common Council Resolution File Number 941618, adopted February 14, 1995, directed the Fire Department to enter into an agreement with the SERB to provide these services within and area identified

geographically by the agreement; and

Whereas, The agreement authorized by Common Council File Number 941618 and further amended in subsequent files; and

Whereas, The Fire Department has negotiated an extended contract for Regional Hazardous Materials Response System Services for a 24-month period from July 1, 2017, to June 30, 2019, a draft copy of which is attached to this file; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, which the proper City officials are directed to execute this contract extension on behalf of the City of Milwaukee, and to take all action necessary and appropriate to fulfill the terms and conditions of the contract.
