THE CHAIR

Resolution releasing \$60,000 of the 2002 capital project appropriations held by prior Common Council Resolution for remodeling of offices of the City Attorney. (Budget and Management)

This resolution authorizes the release of \$60,000 of 2002 Capital Improvement Appropriations that were held by Common Council Resolution 011615 adopted on April 23, 2002. These funds will be used to remodel City Attorney offices located in the City Municipal Court Building.

Whereas, The Common Council deferred certain 2002 Capital Improvement Projects and Programs by Resolution 011615 adopted on April 23, 2002 in light of proposed reductions in state shared revenue payments; and

Whereas, The 2002 State Shared Revenue issue was favorably resolved by state legislative action which retained the City of Milwaukee's 2002 shared revenue payments; and

Whereas, The deferred projects' appropriations included \$252,000 of the \$352,000 appropriation for the City Attorney's Office - Five Additional Attorney Offices capital improvement project (0321-9990-

R999-BU110020600), of which, the Common Council has released \$40,000 through Resolution 030100 and \$80,000 through Resolution 030521; and

Whereas, The release of \$60,000 is required to remodel the City Attorney offices located in the City Municipal Court Building; and

Whereas, Common Council Resolution 011615 required that the Finance and Personnel Committee and the Common Council act to reinstate any deferred projects and programs to active status; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that \$60,000 of the remaining deferred \$132,000 appropriation for the City Attorney's Office - Five Additional Attorney Offices capital improvement project is hereby reinstated; and, be it

Further Resolved, That the City Comptroller and other appropriate City officers are authorized and directed to take necessary actions to release these portions of said projects to active status.
