Substitute resolution amending a special privilege for change of ownership to Dermond Associates, LLC for encroachment into the public right-of-way of a concrete stairway and to grant permission for a new building façade, an excess door swing, non-code compliant awnings, non-code compliant fire escape balconies, waste dumpsters, and security cameras for the building at 753 North Water Street in the 4th Aldermanic District of the City of Milwaukee.

This resolution grants an amended special privilege for change of ownership to Dermond Associates, LLC for encroachment into the public right-of-way of a concrete stairway and grants permission for a new brick building façade, an excess door swing, seven non-code compliant fixed awnings, two non-code compliant fire escape balconies, three waste dumpsters and three security cameras abutting 753 North Water Street. Whereas, Michael and Lynn Short requested a special privilege for a concrete stairway, building façade, and sign projection; and

Whereas, Permission for said items was granted in 1997 under Common Council Resolution File Number 970736; and

Whereas, Dermond Associates, LLC now owns the property; and

Whereas, Dermond Associates, LLC has removed the sign and replaced the previous building façade with a new brick building façade, changing the limits of the building façade projection into the public right-of-way; and

Whereas, A fire escape was relocated from the East Mason Street building face to the North Front Street building face and a second fire escape balcony was found in North Front Street; and

Whereas, Both fire escape balconies are non-code compliant because they are not, at minimum, 10 feet above grade; and

Whereas, A site visit also revealed the presence of an excess door swing, seven non-code compliant fixed awnings, three security cameras and three waste dumpsters in the public right-of-way; and

Whereas, Said items, which were not previously granted permission to be in the public right-of-way, may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; and

Whereas, For the liability to be formally transferred to the current owner for the concrete stairway, the Common Council needs to adopt an amending resolution; now therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that Common Council File Number 970736 is hereby rescinded; and be it
