Resolution amending Common Council File No. 010350 for acceptance of additional funding for a Brownfields Assessment Demonstration Grant. (DCD)

This resolution authorizes the Department of City Development to accept additional funding for a Brownfields Assessment Demonstration Grant from the United States Environmental Protection Agency in the amount of \$100,000. This will bring the total amount of the Grant to \$1,395,000 with an In-Kind City Share of \$545,000 and a Grantor Share of \$850,000. This additional funding will be used to pay the individual currently employed by the Environmental Protection Agency and assigned under the Intergovernmental Personnel Act to work closely with the Milwaukee Brownfield Redevelopment Team and with all Local, State and Federal partners on Milwaukee's targeted brownfield sites for an additional period of approximately one year.

Whereas, The Common Council of the City of Milwaukee ("Common Council") approved the acceptance and funding of a Brownfields Assessment Demonstration Grant from the United States Environmental Protection Agency ("Grantor") under File No. 980376 adopted July 7, 1998, with a Grantor Share of \$200,000 and an In-Kind City Share of \$545,000; and

Whereas, The Common Council approved the acceptance of additional funding for said Brownfields Assessment Demonstration Grant from the Grantor under File No. 000435 adopted July 25, 2000, with a Grantor Share of \$150,000 and no additional In-Kind City Share; and

Whereas, The Common Council approved the acceptance of additional funding for said Brownfields Assessment Demonstration Grant from the Grantor under File No. 001363 adopted February 6, 2001, with a Grantor Share of \$200,000 and no additional In-Kind City Share;

and

Whereas, The Common Council approved the acceptance of additional funding for said Brownfields Assessment Demonstration Grant from the Grantor under File No. 010350 adopted July 26, 2001, with a Grantor Share of \$200,000 and no additional In-Kind City Share; and

Whereas, The City of Milwaukee ("City") appears to be eligible for additional grant funds from the Grantor in the amount of \$100,000 with no increase in the In-Kind City Share amount; and

Whereas, The Department of Administration, Intergovernmental Relations Division, has determined that operation of this Grant program from October 1, 1998 to August 31, 2004 will cost approximately \$1,395,000, of which \$850,000 or 60.93 percent will be provided by the Grantor; and

Whereas, The In-Kind City Share of this Grant program, \$545,000 or 39.07 percent, will be provided from the following sources:

In-Kind City Share: \$545,000

Out-of-Pocket City Share: \$-0-

Local, Non-City Share: \$-0-

; and

Whereas, The Department of Administration, Intergovernmental Relations Division, has determined that the benefits to the City from this Grant program appear to exceed the City's share of costs and other obligations to be incurred under this program; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that acceptance of said Grant from the United States Environmental Protection Agency under the terms specified above, to be administered by the Department of City Development, is authorized; and, be it

Further Resolved, That the proper City officials and/or the Commissioner of the Department of City Development are authorized to accept such additional Grant funds without further Common Council approval unless any of the following occur:
