This resolution authorizes the Fire Department to apply for, accept and fund a Zoo Interchange Project grant agreement with the Wisconsin Department of Transportation in the amount of \$25,000. Whereas, Construction activity on the Zoo Interchange is expected to result in the diversion of traffic on the local street system during this project due to lane and ramp closures on the freeway; and

Whereas, The operation of this grant from 01/01/15 to 12/31/15 would cost \$25,000, of which 100% would be provided by the grantor; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Fire Department shall accept this grant agreement without further approval unless the terms of the grant change as indicated in Section 304-81 of the Code of Ordinances; and, be it
