Resolution rescinding various special privileges that are no longer necessary.  
This resolution rescinds various special privileges granting permission for items to encroach into the public right-of-way because said items have been removed from the public right-of-way, are now permitted in the public right-of-way or have been included in a different special privilege resolution.  
Whereas, Said special privileges granted permission for various encroachments in the public right-of-way; and

Whereas, The special privileges listed below are no longer necessary because the subject items have been removed from the public right-of-way by the owner, the items are now permissible encroachments under the Milwaukee Code of Ordinances or the items are covered under a different special privilege resolution; and

Whereas, For items removed from the public right-of-way, said owners notified the Department of Public Works that they no longer need the special privilege granted them; and

Whereas, In order to release property owners from the bonding, insurance and annual special privilege fee requirements placed on the property owner as part of the granting of a special privilege, the Common Council needs to pass a resolution rescinding special privileges which are no longer needed; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the following special privilege resolutions are rescinded:
