(DPW)

- ANALYSIS - This resolution approves an Out-of-Program Agreement between the City and Continental 107 Fund LLC. The agreement provides for the construction and funding of a sewer line relocation necessitated by the proposed development of a Jewel/Osco store and affiliated buildings at the Loomis Center shopping center. The developer will provide 100% of the funds needed for the sewer relocation. The City will design the project, inspect the work and own and maintain it when completed. Whereas, Plans for the project necessitate relocation of an existing sewer line in easement running through the site; and

Whereas, The developer desires to enter into an Out-of-Program Agreement with the City of Milwaukee which will provide for construction and funding of the required sewer relocation; and

Whereas, Under the terms of the agreement the City will design the relocated sewer and inspect the work while the developer will let the construction contract and provide all of the necessary funding; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Out-of-Program Agreement attached to the file is hereby approved and the proper City Officers are hereby authorized and directed to execute said agreement on behalf of the City; and, be it

Further Resolved, That the Commissioner of Public Works is authorized to make minor, non-substantive changes to the Out-of-Program Agreement prior to its execution.
