THE CHAIR

Substitute resolution affirming the Historic Preservation Commission's decision and denying an appeal relating to a Certificate of Appropriateness for a block retaining wall and other work performed at 2229 N. Terrace Avenue in the North Point South Historic District for the Wisconsin Corporation of Seventh Day Adventists.

This resolution denies the appeal of the Certificate of Appropriateness for the installation of a block retaining wall at 2229 N. Terrace Avenue in the North Point South Historic District for the Wisconsin Corporation of Seventh Day Adventists and sustains the actions of the Historic Preservation Commission relating to the other work performed at the site.

Whereas, The Historic Preservation Commission met on November 5, 2018 to consider granting a Certificate of Appropriateness for driveway, steps and retaining wall work that had been performed at 2229 N. Terrace Ave without obtaining a Certificate of Appropriateness; and

Whereas, The Commission, by a unanimous vote of 6 ayes, granted the driveway and steps work with the condition that the applicant work with staff and denied the retaining wall as constructed; and,

Whereas, The applicant appealed the decision of the Commission to the Zoning, Neighborhood and Development Committee at its meeting of January 8, 2019; and

Whereas, The Committee, by a unanimous vote of five ayes upheld the decision of the Historic Preservation Commission, now, therefore, be it,

Resolved, By the Common Council of the City of Milwaukee, that the appeal of the Certificate of Appropriateness for the block retaining wall is denied and the driveway and steps work, as described in the application and staff report contained in this file, is approved with the conditions set by the Historic Preservation Commission.
