ALD. KALWITZ, CULLEN AND ANDERSON

An ordinance relating to reimbursement of city costs of providing extraordinary police and fire protection at paid admission events including but not limited to the Bradley Center, MECCA and Milwaukee World Festival, Inc.

Whereas, Paid admission events at the Bradley Center, MECCA, Milwaukee World Festival, Inc. and other facilities attract large crowds of people; and,

Whereas, Such crowds, with the resulting problems of control and traffic direction, have made it necessary for the City of Milwaukee Police Department, and at times the Fire Department, to assign additional staff to such paid admission events; and

Whereas, Neither the facilities nor the promoters of such paid admission events have reimbursed the City of Milwaukee for the additional costs involved in providing police and fire protection; and

Whereas, It appears fair and equitable that the City of Milwaukee should be reimbursed for such additional expenses; now, therefore,

The Mayor and Commom Council of the City of Milwaukee do ordain as follows:
