- Analysis -

This resolution fulfills statutory requirements for amending the Project Plan for Tax Incremental District Number Twenty-Two. The amendment revises the Project Plan to provide assistance for additional redevelopment along the Milwaukee River between approximately East Pleasant Street and East North Avenue. This resolution authorizes the Commissioner of the Department of City Development, other public officials, and the Redevelopment Authority of the City of Milwaukee to take such actions as are necessary to accomplish the objectives of the amended Project Plan and also authorizes the City Comptroller to create the necessary and appropriate Subaccounts for Plan implementation. Whereas, Section 66.46(4)(h)1, Wisconsin Statutes, permits the City Plan Commission, subject to the approval of the Common Council, to amend the Project Plan for a Tax Incremental District; and

Whereas, The Common Council of the City of Milwaukee on December 22, 1993 passed File No. 930935 approving a Project Plan and creating Tax Incremental District Number Twenty-Two (Beerline "B"); and

Whereas, On June 28, 1999, pursuant to Section 66.46(4)(h)1, Wisconsin Statutes, and following the required notice and public hearing, the City Plan Commission adopted an amendment to the Project Plan for Tax Incremental District Number Twenty-Two ("Amendment"), a copy of which is attached to this Common Council File; and

Whereas, The City Plan Commission has submitted the Amendment to the Common Council for its approval; and

Whereas, Section 66.46(4)(g) and (h)1, Wisconsin Statutes, provides that an amendment to a Project Plan for a Tax Incremental District shall be approved by the Common Council prior to or concurrent with the adoption of a resolution by the Common Council which contains findings that such amendment is feasible and in conformity with the master plan of the city; and

Whereas, The Amendment was duly reviewed and considered by the Zoning, Neighborhoods and Development Committee and determined to be feasible by the City Plan Commission and determined to be sufficiently complete in detail to establish that the public works and improvements and the land uses proposed conform with the Master Plan for the City of Milwaukee, as amended to date; and by the City Attorney and determined to be complete and compliant with Section 66.46(4)(f), Wisconsin Statutes; and

Whereas, Pursuant to Section 66.46(4)(h)1, Wisconsin Statutes, the Amendment is further subject to review by the Joint Review Board and will be submitted to the Board for review upon passage of this resolution; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee regarding the Amendment to the Project Plan for Tax Incremental District Number Twenty-Two, City of Milwaukee, that it finds and determines as follows:

1. As implementation of the Project Plan for the District has proceeded, it has become necessary to address new redevelopment opportunities and accommodate changes in the types and amount of project related costs.
2. The Amendment changes the existing boundaries of the District and adds 13 parcels comprising approximately 13 acres to the District. However, the findings made in Common Council File No. 930935, pursuant to Section 66.46(4)(gm)1 and 4, Wisconsin Statutes, are unchanged.
3. The Amendment retains the existing ten-year expenditure period for the District.
4. The Amendment revises the Economic Feasibility Study that is a part of the Plan, adds projects to be supported by the District, and makes related changes regarding project costs and financing; and, be it

Further Resolved, That the Amendment to the Project Plan for Tax Incremental District Number Twenty-Two is approved by the Common Council and that the Project Plan for said District as amended is feasible, in conformity with the Master Plan for the City of Milwaukee, and will promote the orderly development of the City of Milwaukee; and, be it
